We hope to continue creating and expanding networks while facilitating the ever-growing expansion of each individual discipline represented at our conference. We know this is only possible with contributions from UG students. It is for this reason, that we would greatly appreciate

UG student contribution to the conference. You are also welcome to forward this message to any appropriate colleagues and/or groups whose contributions would further promote the growth of various disciplines represented in our conference. Thank you for your time and we look forward to your contribution.

Respectfully,

Team, IEEE Int. Conf. ESCI -2020
