

National Service Scheme

Annual Report Year 2019-20

The concept of National Service Scheme is started in the year 1969 to build sense of social responsibility through teacher and students involvement in constructive service with the motto of “Not Me But You”. NSS volunteers work in rural areas, adopted villages and school to the serving the cause of society through survey, education and health awareness programme. This study involves in identifying the importance, aims and objectives of NSS in higher education which in turn create social responsibility among the students.
