## **ALACRITY 2020**

**[18<sup>th</sup> to 21<sup>st</sup> FEBRUARY 2020]**

**H**istory-The event “ALACRITY” was started in the year 2010 by AISSMS’s Institute of Information Technology. ‘ALACRITY’ which literally means enthusiasm is culmination of cultural, technical, sports and social events Since its inception the event has gained tremendous success. For the past eleven years this college fest has been one of the most awaited intercollegiate festivals. Alacrity has been receiving participation from Institutes throughout the country including various Technical and Non-Technical Institutes. Alacrity is a conglomeration of Technical, Cultural, Sports and Social Competitions. Alacrity hosts more than 60 individual events. The collegefest is rated in the Top 10 events in Pune by Campus Times, Pune. ALACRITY is an event of the students, for students and by the students. ALACRITY has its very charismatic legacy and is rated in top 10 events of the city. We value the efforts of engineer in the society and that is why it has adapted the tag line

**‘Reward of Being an Engineer’**

**U**pgradation-Alacrity has been upgrading each year. With the National

Service Scheme(NSS) unit of our Institute we are hosting a social championship which was a unique event. Our NSS unit is one of the most active units in SPPU and we have been addressing various social issues with a technical approach.

This year in ALACRITY, to promote Health Consciousness we introduced Men Physique, Body Show and Power-lifting events.

To promote digital India mission and support paperless working pattern for environment conservation awareness this time we have issued –DIGITAL CERTIFICATES to the participants and the prize money was also transferred through digital platform.

We were lucky to have 19th February as one of our event days and we took it as an honour to celebrate Shivjayanti in this fest. Shivjayanti Celebration Includes Dhol Pathak Vandana, Murti Pujan,etc.

**A**lacrity 2020- The inaugural and valedictory ceremony of Alacrity, every year is a must watch for audience. Prominent personalities from various field are invited as guests. This year Alacrity was inaugurated by Quick Heal Managing Director, Sanjay Katkar. The night events conducted were very glorified and attract a huge number of audiences. These events provide a platform for different talents, potentials, ideas and sponsors to gain limelight. This year the team is hosted night events such as Retro Night, Burst the Beatz (Group Dance), Body Show, Glitterati (Fashion Show) and the whole extravaganza concluded with the valedictory ceremony. A special mention to also the decorations being prepared by the students which have taken the ALACRITY 2020 to next level. The best part about the décor of ALACRITY is that everything has been prepared from scrap material without any special funding. Besides this it has been a custom to ring in the celebration of

Chhatrapati Shivaji Maharaj Maharaj's birth anniversary with the jubilant Dhol Pathak organised by the students themselves.

In order to create a buzz in the city regarding ALACRITY, various pre events were also conducted. This year the team introduced first of its kind 'PUNE HIP HOP CYPHER' where more than 30 rappers and hip-hop dancers performed and showcased their talents in the college campus. The students also performed Flash Mob in different malls to create a hype for the event. Similarly, badminton was conducted under sports where more than 70 participants across the city took part. With same motive another, pre-ALACRITY event i.e. Hack-a-Thon and Make-a-Thon were conducted under the technical domain. It was a 30-hour event starting from 15th February.

ALACRITY is also a platform where different experiments are conducted. Social Championship is one such experiment to promote the social service activity. This will be conducted with collaboration of different National Service Scheme (NSS).The youth presented street plays and addressed various social issues.Similarly, to promote physical fitness Body Show, Men Physique and Power Lifting were conducted this year in ALACRITY 2020.

Definitely the planning has been top notch and the execution of pre-ALACRITY lead it to a great success. The pre events have drawn a huge number of visitors to the campus and the team is waiting for more. We tried our best to elevate ALACRITY 2020 to the next level continuing our journey towards excellence!

### Technical

- RIFA
- Robo Tricks
- Pick & Place
- Bot Wrestling
- Mechmarize
- Line Tracer
- PCB Artist
