**All India Shri Shivaji Memorial Society's
INSTITUTE OF INFORMATION TECHNOLOGY**

ANNUAL REPORT 2015-2016

1) Preamble

In this academic year our Institute was awarded the '**Best Private Engineering College 2015**' by Indian Society of Technical Education (ISTE), New Delhi. The institute also received the '**Engineering Education Excellence 2015**' award from Indo-Global Chamber of Commerce Industries and Agriculture for promoting Quality Education in the field of Engineering. It gives me immense pleasure to announce that National Assessment and Accreditation Council (NAAC), Bangalore awarded **A Grade** to our institute.

In addition to the regular curriculum, many value added workshops were conducted for the students and faculty members alike to keep abreast with the rapidly developing and ever-changing technologies. Various technical events were organized in the institute by the Technical Societies like Indian Society for Technical Education (ISTE), Computer Society of India (CSI), Institution of Engineers India (IEI) and Institution of Electronics & Telecommunications Engineers (IETE). Department of Electronics and Telecommunication Engineering of our institute organized '**13th ISTE Maharashtra Goa State level students convention**'.

Students of our Institute secured first prize in the National Technical Event 'Mind Spark' organized by the College of Engineering, Pune (COEP). Dr. V. K. Bairagi of Electronics and Telecommunication department received the Indian Society of Technical Education 'Young Researcher' award for 2015 in ISTE International Convention held on 10th Jan., 2016.

Our faculty members Dr. D.K. Shedge, Associate Professor and Incharge Head Of Department Electronics, Dr. (Mrs) D. R. Shende, Associate Professor, Instrumentation Engineering and Dr.(Ms) K.G. Wadikar, Assistant Professor, Engineering Science Department, who have completed their Ph.D in 'Performance Improvement in Signal Conditioning Circuitry for Bio impedance sensors using MOS Technology' in Electronics and Telecommunication Engineering, 'Development in Model Predictive Control for Process Control Applications' in Instrumentation and in 'Matrices as sums of Kthpower' in Mathematics respectively.

The National Level Cultural and Sports Event 'ALACRITY', wherein students from all over India participated, was successfully hosted by our institute this year.
