

**AISSMS**  
INSTITUTE OF INFORMATION TECHNOLOGY  
ADDING VALUE TO ENGINEERING  
Department of Computer Engineering

## News Letter June- Dec 2020

### Departments Vision, Mission and PEO's

#### VISION

To create an Engineer, receptive to the changing demands of the global market.

#### MISSION

1. To provide technically competent professionals in service to Nation.
2. To prepare graduates to respond to the needs of dynamically changing technology.

#### Program Education Objectives(PEOs)

1. To apply basic principles and practices of mathematical computing to solve technical problems.
2. To prepare graduates with solid foundation in Computer Engineering to analyze, design and implement software projects as well as to pursue higher studies.
3. To prepare students with latest skills in the field of technologies supplemented with practical orientation to face challenges of modern computing industry.
4. To provide environment that fosters professional growth, communication skill, team work and ability to create awareness in society about applications of technology.

**Placement of Computer Engineering Department in Academic Year 2020-21 Sem-I**

# Webinar Organized By Computer Engineering Department In Academic Year 2020-21 Sem-I

The poster features the AISSMS logo at the top center, with the text "INSTITUTE OF INFORMATION TECHNOLOGY" and "ADDING VALUE TO ENGINEERING". Below the logo, it states "Department of Computer Engineering in Association with Computer Society of India". The main text reads "Invites You For a Webinar on 'Career Counselling in Civil Services'". The date is "Date: Sept 16, 2020", the time is "Time: 10:00 am to 11:00 am", and the mode is "Mode: Cisco WebEx". There are two speaker portraits: Mr. Ajinkya Suryawanshi and Mr. Padmakar Gaikwad, both Deputy Chief Executive Officers (Group A), MPSC 2019. The organizers are listed as Dr. P. B. Mane (Principal, AISSMS IOIT, Pune) and Dr. S. N. Zaware (HOD, Dept. of Computer Engg), with Mr. Prashant Sadaphule and Mrs. Prajwal Gaikwad as Faculty Co-ordinators.

Date of event : 22/9/2020

Name of speaker: Ms. Mansi Mantri, BrowserStack as an Account Manager Europe.

Class for which event was organized – SE Computer

# Webinar Organized By Computer Engineering Department In Academic Year 2020-21 Sem-I

The screenshot shows a webinar interface with a slide titled "INSURANCE DATA WAREHOUSE". The slide illustrates the data flow from various sources to business users. On the left, data sources are categorized into Internal Data (Core Systems like Life, Policy, Premium, Genres, Guide ware), External Data (Social Media, Big Data), and Other Data sources (CRM, Real data, Recruitment, Training, Lead Management). These sources feed into a central ETL process involving Customer Staging, Flat File (JRD-DM), ETL, IA staging, and Pre Built ETL Components. The ETL process is supported by ETL Configuration and Administration and an ETL Admin DB. The output is a Data warehouse & Data Mart, which provides data to Business Users through various applications like Sales, Marketing, Operation, Claim, Underwriting, Actuarial, Reinsurance, Finance, Dashboards, Reports, OLAP Cubes, and E-mail. The webinar interface includes a "Participants" list on the right with 112 attendees, a "Meeting chat" window, and a "Meeting in Progress" indicator.

The screenshot shows the same webinar interface with a slide titled "Applications: Application Areas". The slide lists various industries and their corresponding data analysis applications. The industries listed are Finance, Insurance, Telecommunication, Transport, Consumer goods, Data Service providers, and Utilities. The applications listed are Credit Card Analysis, Claims, Fraud Analysis, Call record analysis, Logistics management, promotion analysis, Value added data, and Power usage analysis. The webinar interface includes a "Meeting chat" window with a message "Recording has started" and a "Meeting in Progress" indicator.

## Webinar on “Case Study :ETL and Data Warehouse Design ”

Date:26/09/2020

Speaker : Mrs. Shailaja Bhadaonkar ,IBM India Pvt.Ltd  
Workshop was organized and was coordinated by Mrs.Shilpa Pimpalkar.

Class: TE and BE students of Computer Engineering Department .
