Academic Year: 2020-21

AGENDA FOR THE REPORT

SINCE 2012

SR NO	PARTICULARS	PAGE NO
1	Vision, Mission, PEOs, POs and PSOs	1
2	Preface	4
3	Members on Board	6
4	Theme for VERITAS 2K20-21 and Depiction of the logo	7
5	Events held as per Domain: 4.1 Technical 4.2 Cultural 4.3 Sports	10
6	Registration, Participation and Winner for all Events	11
7	Agenda for T & P taken under TESA	171
8	Acknowledgement	179
9	Snap of our Events	180
10	Winners in the VERITAS 2020-21	191

TESA

TELECOM ENGINEER'S STUDENT ASSOCIATION

TESA committee follows all the Vision, Mission, Program Educational Objectives, Program Specific Outcomes and Program Outcomes as laid by Electronics and Telecommunication Department. They are as follows:

❖ VISION

To provide quality education in Electronics & Telecommunication engineering with professional ethics.

❖ MISSION

To develop technical competency, ethics for professional growth and a sense of social responsibility among students.

❖ PROGRAM EDUCATIONAL OBJECTIVE

1. To Provide students with solid foundation in mathematics and fundamentals of Electronics & Telecommunication engineering.
2. To prepare students to analyze and solve real life problems.
3. To inculcate professional and ethical attitude and good communication skills among the students.
4. To develop social awareness among the students.

❖ PROGRAM SPECIFIC OUTCOMES

Graduates will be able to

1. Apply fundamentals and knowledge of electronics, telecommunication and mathematics to analyze, design and develop electronics and telecommunication systems.
2. Select different software tools, test and measure equipment and use them efficiently for system solutions.

SINCE 2012

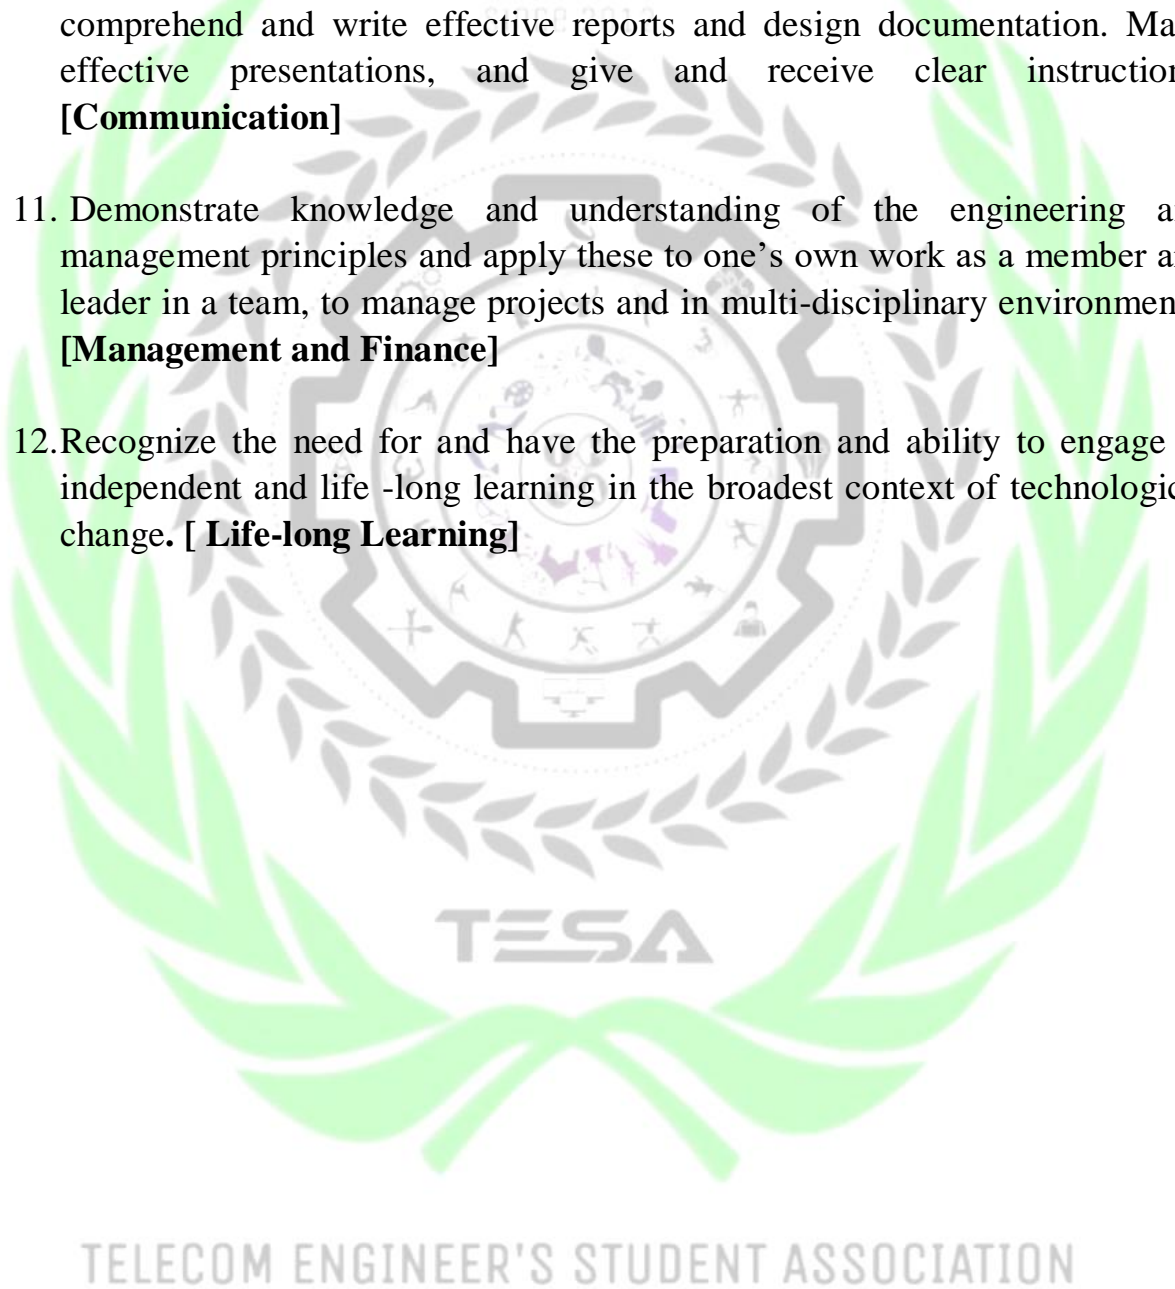

TESA

TELECOM ENGINEER'S STUDENT ASSOCIATION

❖ PROGRAM OUTCOMES

1. Apply the knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems. **[Engineering knowledge]**
2. Identify, formulate, research literature and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences. **[Problem analysis]**
3. Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety and the cultural, societal and environmental considerations. **[Design/development of solutions]**
4. Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data and synthesis of the information to provide valid conclusions. **[Conduct investigations of complex problems]**
5. Create, select and apply appropriate technique resources and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations. **[Modern tool usage]**
6. Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice. **[The engineer and society]**
7. Understand the impact of the professional engineering solutions in societal and environmental contexts and demonstrate the knowledge of and need for sustainable development. **[Environment and sustainability]**
8. Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practices. **[Ethics]**

- 
- 
9. Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary settings. [**Individual and team work**]
 10. Communicate effectively on complex engineering activities with the engineering community and with the society at large such as being able to comprehend and write effective reports and design documentation. Make effective presentations, and give and receive clear instructions. [**Communication**]
 11. Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work as a member and leader in a team, to manage projects and in multi-disciplinary environments. [**Management and Finance**]
 12. Recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change. [**Life-long Learning**]

PREFACE

Telecom Engineer Students Association (TESA) was first established in the year 2012 under the Electronics and Telecommunication Engineering Department (ENTC), AISSMS IOIT. This committee was established under the guidance of respective Principal sir, department HOD, TESA chairperson(s) and other faculty members for the maximum participation, overall development of students which involved showcasing their talent and providing them a platform to reveal their hidden potentials and skills through various domains like Technical, Cultural and Sports. Like every year students from Electronics and Telecommunication Department and also from other departments and AISSMS Society are enthusiastically participating in these events along with staff members and the TESA committee received an overwhelming support and co-operation from participants overall. TESA Events were generally held for two days under the brand event name “VERITAS” which means “TRUTH” where the committee basically looked after the realistic development of the students in uplifting their talent. But this year due to Co-vid pandemic situation all these interesting activities were conducted on online platform and keeping the same scenario in mind we learnt that in this pandemic what we have now is the reality which means what we had earlier is over and now what we face is left with us and reality in true sense. So, we prepared the them- **“ALL WE HAVE IS NOW”**.

This year we have planned various activities under “Techno-Social” Event where our primary focus will be on the Technical and its related activities where the students will learn various concepts like industry skills and development of various project ideas along with new emerging ideas of innovation and modern technology implementation. Keeping the same aspect in mind we introduced various tech challenging events like- Sell it, Rebuilt IT, Web Champ, Game of Circuit and some debugging and Coding Challenging along with PC Built Master. With respect to Cultural Domain student will be able to showcase their talent and present them in a better way in front of the world through activities like Photography, Singing, Dancing and Painting/Sketching. With respect to sports domain, as rightly said “Healthy Mind and Body is essential for individual to survive in a society”. Hence keeping the same fact in mind, we had introduced for the first time a 1-minute push up challenge along with exciting and thrilling events like- Chess, Cricket Juggle and PUBG.

Keeping the current scenario of placements and Job opportunities in mind, this time T & P Cell under TESA committee has taken the spearhead for the students of the ENTC department by arranging various seminars of various industry professionals, panel discussion with company HRs and interacting with various alumni of our institute with the students regarding higher education and job opportunities in present time along with abroad foreign university including learn and work concept. Along with this we have arranged our social visit to the village for understanding their various problems faced by them and providing them some remedies to their problems. Our TESA Committee activities are not restricted only up to veritas events, but will be held throughout the academic year through various webinars, exciting workshops so that student can develop the ability of concept understanding, analyzing and creating their own realistic ideas.

We, hope that our legacy which we have dreamt, created and brought into picture will be carry forwarded by coming ENTC enthusiasts and our ideas and visions will be beneficial to our juniors, batchmates and everyone.

TESA

TELECOM ENGINEER'S STUDENT ASSOCIATION

OUR HONOURABLE COMMITTEE MEMBERS

SR NO	POST	NAME
1	Principal	Dr. P. B. Mane
2	Head of Department	Dr. M. P. Sardey
3	TESA Chairperson	Prof. G. H. Wani Prof. D. A. Itole
4	President	Aniket More
5	Vice-president	Sayali Bhosale Aahan Devadiga
6	Administrator	Shubham Desai Amey Vazurkar
7	Treasurer	Pratiksha Patle
8	Technical Secretary	Abhilash Negi
9	Joint Technical Secretary	Neha Nilajkar
10	Cultural Secretary	Pragati Ingole
11	Joint Cultural Secretary	Shravan Deshpande
12	Sports Secretary	Atharva Kadam
13	Joint Sports Secretary	Pavan Mahajan
14	Media and Publicity Secretary	Shubham Phawade
15	Joint Media and Publicity Secretary	Gouri Patil
16	Editorial Secretary	Nehal Ghorse
17	Joint Editorial Secretary	Bhargav Kakade
18	T & P Secretary	Abhinandan Suryawanshi
19	Joint T & P Secretary	Shraddha Mungase
20	Social Secretary	Nikhil Muley
21	Joint Social Secretary	Shruti Kulkarni
22	Study Circle Secretary	Pratiksha Shinde

TELECOM ENGINEER'S STUDENT ASSOCIATION

CHRONICLE OF THE THEME

“ALL WE HAVE IS NOW”

- As in today's world how the situation is held in front of us by the Nature and the problems faced by the human race so thus to make a contribution in the betterment of the world.
- "All we have is now" it means that both the past and future are illusions, and only the present moment is what we really have. So we need to cherish it and not dwell on the past and expect or worry too much about what may happen in the future so if we treat each moment as your chance to enhance yourself and our world, thus time is precious and nothing in life ever guaranteed, meaning you're not promised tomorrow or the day after, all we have is now!

“Let's make it count”

TESA

TELECOM ENGINEER'S STUDENT ASSOCIATION

DEPICTION OF THE LOGO

TELECOM ENGINEER'S STUDENT ASSOCIATION

TESA

Fig1: The Official Logo of TELECOM ENGINEER STUDENT ASSOCIATION (TESA) 2020-21

TELECOM ENGINEER'S STUDENT ASSOCIATION

The logo of TESA is itself very unambiguous.

It has **5 circles** which explains innovation and creativity among the Students in every domain.

- Innermost circle describes the support system for everything i.e. TESA.
- Second inner circle describes the cultural event and activities anchored by TESA.
- Third circle describes the enthusiasm of the students by keeping in mind their physical and mental fitness in a sportive manner.
- The outermost circle describes all the innovation and creativity in technical domain.
- ✿✿ Finally green leaves in the outermost part describes to remain eco-friendly and to remain protected from the evil thoughts of the society. ✿✿

EVENTS HELD AS PER THE DOMAIN

A.) TECHNICAL:

- ✓ SELL IT
- ✓ REBUILT IT
- ✓ WEB CHAMP
- ✓ GAME OF CIRCUIT
- ✓ DEBUG AND CODE IT
- ✓ PC BUILT MASTER

B.) CULTURAL

1.) PRE-EVENTS:

- ✓ GOURI-POOJAN
- ✓ CAPTION IT/ FOOD AND SALAD DECORATION

2.) FINAL EVENTS:

- ✓ PHOTOGRAPHY
- ✓ SINGING
- ✓ DANCING
- ✓ PAINTING/ SKETCHING

C.)SPORTS:

1.) PRE-EVENT:

- ✓ PUSH-UP

2.) FINAL EVENTS:

- ✓ CHESS
- ✓ CRICKET JUGGLE
- ✓ PUBG

A.) TECHNICAL EVENTS:

• SELL IT- PARTICIPANTS:

SR NO	Name	Department	Year	Gender
1	Ishwar Sanjay Ghosalwad	ENTC	SE A	Male

TELECOM ENGINEER'S STUDENT ASSOCIATION

AGENDA for T & P Activities

Name of the Organizing Institute: AISSMS Institute of Information Technology Pune-1.

Topic of the Webinar : Mock Interview Preparation and Effective Communication Skills

Date & Time : 11 September 2020 3pm to 4pm.

Brief about Resource person:

Mr. Rahul Gorwadkar, Managing Director Sactec Automation India Pvt Ltd. pursued Bachelor of Electrical Engineering from Pune University with 10+ years of Business development experience with few great brands like Siemens, GEFANUC, Danfoss and Sactech Automation India Private Limited. Key responsibilities handling like Global Engineering Services development, developed a remote engineering team for Australia Pacific Asia region for Schneider Electrical Building Business.

Brief Description of the Event :

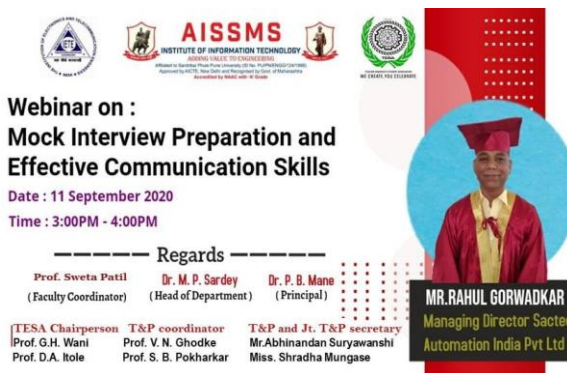

Mr. Rahul Gorwadkar elaborated on the topic **Effective Communication Skills**, quoted tips for preparation of Interviews to develop a connect with the audience, he shared his interesting life journey and relevant experiences to support the same which included educational hurdles, strengths, he gathered through the mistakes, how he possibly could achieve or reach the milestone, how a language can be a potential strength and if not how it can be a potential barrier risking effective communication . He communicated in a very simple and lucid manner with humor about his struggles and how he converted them into consistency in his business also incorporating teamwork and dedication. He discussed the importance of Communication in Interview Rounds where assessment is totally body language and communication dependent. How to be prepared for Interviews for in-campus and off campus placements, types of contrast questions asked, what should be the temperament, relevant programming skills to be pursued to get into core sectors of Engineering, the way you should be adapting learning. How communication should be mastered to make business with foreign clients, he elaborated with a relative example from his experience from problems faced in the industry and working environment.

How to optimize and grab each and every opportunity, his guidance was particularly in accordance with the audience as it included students from Second, Third, Fourth Year. How to make most of one's

Generosity, integrity, self-esteem and how to boost self-confidence and how to always keep the moral high and if worked on relative communication how one can healthily adapt to it.

how to portray your skills and adapt the best possible learning out of it. The importance of extracurricular activities in shaping and grooming one's personality and also its impact on interviewer's overall perception, he also shared how to interact and briefed some of the etiquettes which work. He also stressed on the academics; how good grades eases off the peer pressure.

 Managing Director Sactee
 Automation India Pvt Ltd

What is Communication?

Communication is the transmission of an idea or feeling so that the sender and receiver share the same understanding.

Communication is not a mysterious process. It takes place when the ideas from your mind are transferred to another's and arrive intact, complete, and coherent.

It was an overpowering session, also was two way communicative, where audience interacted with speaker to get all their doubts specifically job oriented, were solved, providing them a clear perspective, guidance, direction to work for the betterment of their own.

All the queries were addressed and the feedback casted appreciation of the same. The feedback received, included praise for conducting such webinars, the content was crisp and clear, the speaker was inspiring ideal personnel and was able to communicate and help connect the dots, overall informative session and looking forward to attend many more were the words from students.

TELECOM ENGINEER'S STUDENT ASSOCIATION

Acknowledgement

Once a great man said “Feeling gratitude and not expressing it is like wrapping a present and not giving it.”

Today, I Shubham Desai, Administrator, TESA Committee, take this opportunity to put all my gratitude in the form of words.

On behalf of the TESA committee, I would like to thank our chief guest Principal Sir, Dr.P.B. Mane sir for sparing their precious time out of his busy schedule for inaugurating our event and enlightening the students with his thought-provoking words. Indeed, your words have inspired everyone to excel further.

I thank our HOD, Dr. M.P. Sardey madam who graced us with their presence and guidance. Thank you, madam, for always encouraging and motivating us in the times of need.

We have been fortunate enough to be backed by our TESA Chairperson’s Prof. G.H. Wani and Prof. D.A. Itole sir who have been a constant support and gave us a lot of encouragement and guidance in darkness and being a true torch-bearer to us in times of difficulties. Thank you, sir, for everything.

I extend my sincere thanks to all the teachers, non-teaching staff, DM faculty for their enormous co-operation in the organization of these events.

Last but not the least, my whole TESA committee members and all my dear students, the pillars of ENTC department, I big thank you to all, without you all the event would not have been a true success.

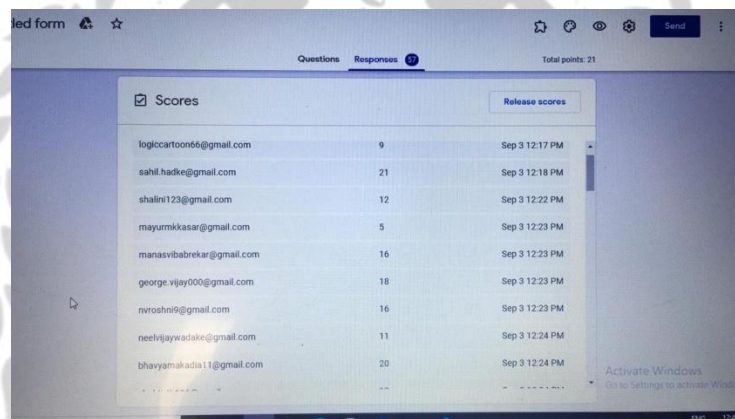

Once again, Thank you everyone.
