Word Health Day: Blood Donation Camp

All India Shri Shivaji Memorial Society's Institute of Information Technology conducted a campus level **blood donation camp on 7th April 2022** to mark the **"World Health Day"**. This camp was conducted under the medical supervision of **Mr. Arun Barde Social Service Superintendent of Sassoon Hospital**. The camp was organized with aim to spread awareness related to blood donation and several diseases associated with blood components deficiency. Such blood donation camps are held on campus level for mass collection of blood bags that in future are used for several requirements of the medical facilities. Such camps are need of the hour to meet the acute demand for blood in our society.

The event begun at 8:30 AM with the medical officers of Sassoon Hospital setting up their apparatus. The students were asked to fill in the registration forms, check their hemoglobin count and general health so as to be fit to donate blood. After proper scrutiny and approval by the medical officers the donors were sent for the donation process. After the donation the donors were again inspected for any anomalies and provided refreshments. The donors were provided with Sassoon Blood Bank Certificates that give them the perk of availing a free blood bag with a validity of 2 years. All the officials of Sassoon hospital were later felicitated by our Principal Dr. P. B. Mane. The institute was also provided with memento and certificate by Sassoon Hospital Blood Bank. The camp was successful to collect 232 bags of which 10 were from First Year Engineering, 31 were from Electrical Engineering, 65 Electronics and Telecommunication Engineering, 30 were from Artificial Intelligence and Data Science Engineering, 23 were from Computer Engineering, 23 were from Information Technology and 15 from Instrumentation Department. The donors were also from AISSMS College of Engineering and AISSMS Institute of Management.

Such camps are important to spread awareness in students related to blood collection and its management in our society. The institute also awards the best department with rolling over trophy who contributes with the most number of donors. This creates a competitiveness amongst the department and adds to the enthusiasm of this social cause. Based on the donation percentage Artificial Intelligence and Data Science Department won the award for highest percentage of Blood Donation. The HoD of the Artificial Intelligence and Data Science Department was felicitated with the Rolling Over Trophy at the hands of our Principal Dr. P. B. Mane. Thus the event was concluded.
