# **DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE**

**Newsletter, Semester - I & II , Academic Year 2022-23**

Presented By  
**AISA EDITORIAL TEAM**

## **VISION**

To create globally recognized  
AI & DS Engineers for  
sustainable development.

---

## **MISSION**

1. To meet the current & future demands of the nation in the area of AI & DS.
  2. To produce high-quality students technically superior, professionally & ethically strong.
  3. To inculcate the interdisciplinary skill set required to fulfill a societal need
-

## **Program Education Objectives (PEOs)**

1. Graduates will be able to analyse, formulate and function efficiently in a multi-disciplinary context to address industrial problems.
2. Graduates will be able to work collaboratively with professionalism and ethical responsibilities to provide innovative industry solutions.
3. Graduates will excel in their careers by adapting to new technologies.

## **Program Specific Objectives (PSOs)**

1. Graduates will be able to apply programming skill to identify, modify and test algorithms that apply intelligence to make realistic decisions in problem solving.
2. Graduates will be able to collect, analyse, interpret, and visualize data to solve problems in agriculture, automation, finance, and medical domains.

## Newsletter, Semester - I , Academic Year 2022-23

### FACULTY EDITORIAL

With great pleasure, we present to you the latest edition of our esteemed Newsletter, Volume 2. This newsletter serves as a platform to highlight the remarkable accomplishments and accolades of the AI&DS department. We are thrilled to share the numerous notable achievements recorded in this semester, which are a testament to the exceptional guidance provided by Principal Dr. P.B. Mane, H.O.D. Dr. S. V. Limkar, and the dedicated staff members who work tirelessly as a cohesive team.

We extend our heartfelt gratitude to the student editorial team for their unwavering dedication and enthusiasm in bringing this issue to fruition. Their commitment to excellence and passion for showcasing the department's merits have been truly inspiring.

This edition of the newsletter not only celebrates the accomplishments of our department but also serves as a testament to the collective efforts of the students, faculty, and staff. It is through their hard work, determination, and unwavering spirit that we continue to achieve new heights.

As we embark on this exciting journey of sharing the department's success stories, we invite you to delve into the pages of this newsletter, where you will find inspiring stories, groundbreaking research, and noteworthy achievements.

## Newsletter, Semester - I , Academic Year 2022-23

### STUDENT EDITORIAL

We would like to extend our deepest appreciation to the esteemed Principal, Dr. P.B. Mane, and the Head of the Department, Dr. S. V. Limkar, for their extraordinary dedication in encouraging and applauding every activity of the students. Their unwavering support has been instrumental in shaping our educational journey.

Furthermore, we would like to express our sincere thanks to the members of the faculty editorial team for their invaluable assistance in bringing this newsletter to fruition. Their expertise and guidance have played a pivotal role in ensuring its success.

A special mention goes to all the committee heads who have contributed to this newsletter. We recognize the significant amount of time and effort they have invested in providing us with the necessary information. It is their willingness to share knowledge, address concerns, and offer unique insights that has made this newsletter possible.

Together, the support and collaboration of these individuals have resulted in a newsletter that reflects the spirit of our institution and showcases the achievements of our students. We are immensely grateful for their contributions and look forward to their continued guidance and support in future endeavors.
