- **No. Of Girls Participants:** 02
- **No. Of Boys Participants:** 28
- **No. Of AISSMS IOIT Students:** 17
- **No. Of Other College Students:** 13

**TOTAL FEES RECEIVED:** ₹ 600/-

**RULES:**

**1. Checkmate:**

The objective of each of the two players in a game of chess is to win the game by checkmating the opponent's king. A player's king is checkmated when the square it occupies is attacked by one or more of the opponent's pieces and the player has no move that escapes such attack.

**2. Scoring:**

- Each of the two players in a game of chess is to win the game by checkmating the opponent's king.

- Each player must make a certain number of moves, all moves, or all remaining moves in an allotted period of time

i.e. 5 min for each

-If each of the two players in a game of chess is not able to checkmating the other in allotted time then will count the points of their chess pieces which is outside the chess board

**According to the following:**

| NAME | CHESSMAN | SYMBOL | VALUE |
|---|---|---|---|
| KING | | K | INFINITE VALUE |
| QUEEN | | Q | 9 |
| ROOK | | R | 5 |
| BISHOP | | B | 3 |
| KNIGHT | | N | 3 |
| PAWN | | P | 1 |

-We calculate the total points of the outside chess pieces and one of the two players have less points then other than that player will be the winner.

**3. Touch-move rule:**

when player touches the one of the pieces

must move the first piece touched that can be moved.

**4. Each match is knockout match.**
