AISA committee follows all the Vision, Mission, Program Educational Objectives, Program Specific Outcomes and Program Outcomes as laid by the Artificial Intelligence & Data Science Department. They are as follows:

- **VISION**

To provide quality education in Artificial Intelligence & Data Science engineering with professional ethics.

- **MISSION**

To develop technical competency, ethics for professional growth and a sense of social responsibility among students.

- **PROGRAM EDUCATIONAL OBJECTIVE**

1. To provide students with solid foundation in mathematics and fundamentals of Artificial Intelligence and Data Science

2. To prepare students to analyse and solve real life problems.

3. To inculcate professional and ethical attitude and good communication skills among the students.

4. To develop social awareness among the students.

- **PROGRAM SPECIFIC OUTCOMES**

Graduates will be able to:

1. Apply fundamentals and knowledge of artificial intelligence and data science to analyse, design and develop AI Systems.

2. Select different software tools, test and measure equipment and use them efficiently for system solutions.

- **PROGRAM OUTCOMES**

1. Apply knowledge of mathematics, science, engineering fundamentals and an engineering specialisation to the solution of complex engineering problems.

2. Identify, formulate, research literature and analyse complex engineering

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

ADDING VALUE TO ENGINEERING

An Autonomous Institute Affiliated to Savitribai Phule Pune University
Approved by AICTE, New Delhi and Recognised by Govt. of Maharashtra
Accredited by NAAC with "A+" Grade | NBA - 5 UG Programmes

problems reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences. [Problem analysis]

3. Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety and the cultural, societal and environmental considerations. [Design/development solutions]

4. Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data synthesis of the information to provide valid conclusions. [Conduct Investigations Of Complex Problems]

5. Create, select and apply appropriate technique resources and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the eliminations. [Modern Tool Usage]

6. Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice. [The Engineering society]

7. Understand the impact of the professional engineering solutions in societal and environmental contexts and demonstrate the knowledge of and need for sustainable development. [Environment And Sustainability]

8. Apply ethical principles and committee professional ethics and responsibilities and norms of the engineering practices. [Ethics]

9. Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary settings. [Individual and teamwork].

10. Communicate effectively on complex engineering activities with the engineering community and with the society at large such as being able to comprehend and write effective reports and design documentation.

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

ADDING VALUE TO ENGINEERING

An Autonomous Institute Affiliated to Savitribai Phule Pune University

Accredited by NAAC with "A+" Grade | NBA - 5 UG Programmes

- **PREFACE**

Artificial Intelligence Student's Association was established in 2021 under the Artificial Intelligence & Data Science Department (AI&DS), AISSMS IOIT.

This committee was established under the guidance of respective Principal sir, department HOD, AISA chairperson and other faculty members for the maximum participation, overall development of students which involved showcasing their talent and providing them a platform to reveal their hidden potentials and skills through various domains like Technical, Cultural and Sports. Like every year students from Artificial Intelligence & Data Science Department and also from other departments and AISSMS Society are enthusiastically participating in these events along with staff members and the AISA committee received an overwhelming support and cooperation from participants overall. AISA Events were generally held for two days under the brand event name "INFUSION" where the committee basically looked after the realistic development of the students in uplifting their talent. This year we had planned various activities related to Technical, Cultural and Sports domains. As an exposure to the placement procedure and an overview of entrance examinations for higher studies, we had also included T&P and Study Circle in the INFUSION events which would help students in their career. Our AISA Committee activities are not restricted only up to INFUSION events, but held throughout the academic year through various webinars, exciting contests so that students can develop the ability of concept understanding, analysing and creating their own realistic ideas.

We hope that our legacy which we had dreamt of, created and brought into picture will be carried forward by coming AI&DS enthusiasts and our ideas and visions will be beneficial to our juniors, batch-mates and everyone.

Event name: Bug Hunters

Date: 5th September 2022

Time: 10:15 a.m. - 12 noon

Heads: Abhishek Mane and Avinash Patil

Winners:

- 1.
- 2.

Venue: Labs 406 Artificial Intelligence & Data Science Department [AISSMS's IOIT]

Rules:

1. The competition will be conducted in 2 rounds.
2. First round will be conducted in batches and the best score from each batch will be selected for the next round.
3. Codes will be provided in C++/Python
4. Participants will have to detect syntax and logical errors in code and solve it.
5. Winners will receive prizes

Description:

The AISA team provides a platform to the students for showcasing their technical skills. In our first technical event for the year we arranged a contest where students had to find syntax errors and logical errors in the code. This helps in inculcating a problem-solving mindset amongst them and test their understanding about the code.

No. of rounds: 3

Participants: 62

Date: 15th September 2022

Time: 10:15 a.m. - 12 noon

Heads: Disha Chordiya and Sanjana Patil

Venue: 409 Classroom Artificial Intelligence & Data Science Department [AISSMS's IOIT]

Description:

AI&DS department celebrate Engineer's day with all the students of TE and SE alongwith faculty member. Event was dedicated to honouring and appreciating the invaluable contributions of engineers to society. Our students shared their experience and learnings of their engineering journey and faculty members also motivated us by giving inspirational speeches.

Heads: Kshatradny Dhonde and Samruddhi Navaghane

Venue: Room 405 Artificial Intelligence & Data Science Department [AISSMS's IOIT]

Description:

AISA team organised a seminar about Blockchain for the students of our department. Mr.Shreeniwas Khond, our guest speaker, provided a deep understanding of blockchain's principles, applications, and its potential to transform various sectors. Our blockchain expert gave insightful explanations and real world examples, which helped our students to gain a solid foundation in understanding how blockchain works. As students of Artificial Intelligence and Data science we understood more about application of Blockchain in Artificial Intelligence. At the end, respected HOD Mr.S.V.Limkar and Faculty coordinator Mr.G.H.Wani facilitated guest speaker.

Date: 11th November 2022

Time: 10:00 a.m. - 12:00 noon

Heads: Disha Chordiya and Sanjana Patil

Venue: Room 405 Artificial Intelligence & Data Science Department [AISSMS's IOIT]

Description:

AISA team organised a seminar about Entrepreneurship for the students of our department. Mr.Prathmesh Yechwad, our guest speaker, is the Founder and CEO Iconnectify Software, took some time out from his busy schedule for educating the students. Aimed at exploring and fostering the key qualities and attitudes that drive successful entrepreneurs. The event kicked off with an inspiring keynote speech by our guest speaker who shared their personal journey and the mindset shifts that contributed to their success. They emphasised the importance of traits such as resilience, creativity, adaptability, and risk-taking in the entrepreneurial world. Overall, the Entrepreneurial Mindset event provided an enriching and immersive experience for individuals interested in entrepreneurship. All the students left the event inspired, motivated, and equipped with the knowledge and mindset necessary to pursue their entrepreneurial ambitions.

Accredited by NAAC with "A+" Grade | NBA - 5 UG Programmes

Event name: Crossword (G20)

Date: 21st February 2023

Time: 09:00 a.m. - 12 noon

Heads: Shlok Das

Winners:

1. Avadhut Tehare (RMDCOE)
2. Runner up :- Prakalp Pande/Onkar Sonavane (AISSMS IOIT)

Venue: AISSMS Campus

Rules:

1. Participants must register in advance to secure their spot in the competition
2. Clues will be formulated to challenge participants' knowledge of G20-related topics. They may include direct definitions, wordplay, or contextual hints.
3. Participants will have a specified time limit to complete the crossword puzzle and submit their entries. Late submissions will not be accepted.
4. Any form of cheating, plagiarism, or misconduct will result in immediate disqualification.

Description:

AISA provided the opportunity to AISSMS IOIT students to unleash their inner wordsmith at Crossword (G20) extravaganza. Participants test their knowledge about the Group of Twenty (G20). This special edition of the crossword competition challenged participants to unravel clues related to the G20, its member countries, key initiatives, and global economic issues. Participants competed individually to complete the crossword puzzle within the given time limit.

Event name: Roadmap to Placements

Date: 28th March 2023

Time: 10:15 a.m. - 12 noon

Heads: Shlok Das

Venue: Multipurpose Hall 2nd floor AISSMS IOIT

Description:

'Roadmap to Placements' was a comprehensive event that brought together our IOIT's esteemed alumni Mr.Premraj Pawade and AI&DS students. This event was very informative for students preparing for On-campus placement. The experience shared by our guest speaker provided a clear idea about the procedure of placement and also the resources to prepare for it.

Participants: TE (A&B) and SE(A&B)

BLINDFOLD BATTLE

The poster features a dark green background with a geometric pattern of white lines. At the top, it includes the AISSMS logo on the left and right, and the AISSMS text in the center. Below the logo is the text: "AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (I.O.I.T) ADDING VALUES TO ENGINEERING An Autonomous Institute Affiliated to Savitribai Phule Pune University Approved by AICTE, New Delhi and Recognised by Govt. of Maharashtra Accredited by NAAC with A+ Grade | NBA-5 UG Programmes". On the right side, there is a logo for the "ARTIFICIAL INTELLIGENCE STUDENT ASSOCIATION (AISA)" featuring a stylized face with circuitry. The main title "BLINDFOLD BATTLE" is written in large, bold, white letters. Below the title, the event details are listed: "BLIND CODING COMPETITION DATE: 27 APR, 2023 VENUE: 4TH FLOOR TIME: 03:00 PM ONWARDS". At the bottom, there is an illustration of a person wearing a blindfold and a blue shirt, sitting at a desk with a computer monitor displaying code, a clock, and a coffee cup. A sign on the desk says "WIN EXCITING PRIZES!!". To the right of the person is a QR code with the text "SCAN ME" above it.

Accredited by NAAC with "A+" Grade | NBA - 5 UG Programmes

Event name: Blindfold Battle

Date: 27th April 2023

Time: 15:00 pm onwards

Heads: Shlok Das

Winners:

Venue: 4th floor Artificial Intelligence and Data Science Department, AISSMS IOIT

Description:

Blindfold battle coding was a technical event where students had to code in the dark. It was the ultimate test of skill, intuition, and creativity. Students had to code by their instincts and not with their vision. Students were given simple coding problem statements in Python and they had to write the entire code blindfolded. Technical team of AISA combined two of the favourite games of any AI&DS student, coding and blindfold.

Participants: 65

Event name: Project Xcelerate

Date: 12th May 2023

Time: 10:00 am to 15:00 pm

Heads: Shlok Das

Winners:

Venue: 4th floor Artificial Intelligence and Data Science Department, AISSMS IOIT

Description:

For the last technical event, AISA brings a project competition where SE students showcase their technical knowledge and implementation of knowledge by indulging in a project competition. Students were divided in a group of 3-4 to present their projects to faculty members. This enhances the project presentation skills in students.

Event name: Valorant Tournament

Date: 23rd April 2023

Heads: Kartik Rajendran

Winners: Team Rogue

Venue: Online

Rules:

1. Toss will be held before the match .Toss winner gets to choose the Map and Side.
2. The Golden key Team with the highest point difference will be qualified directly to the final.
3. If two teams point difference is the same , a swift play will be played and the winner will be qualified for the next round.

for eg:- if two matches have the same result ie 13-2 13-2 then the winning team will play one swift play round in which the winner will proceed further!!
4. Over time is turned off i.e the team who reaches 13 wins first will be the winner.
5. Match will be played in standard mode
6. Team leaders will get the invitation from the assigned coordinator. The task of the team leader is to add up their team members in the room
7. This tournament is not a league direct eliminations will be performed
8. Tournament will begin at 1:00 pm teams are requested to be in game at 12 :30 pm
9. We will be having a goggle meet at 12:20 pm with Team leaders to give brief about the fixtures and also for toss, so team leaders be present in time so you don't miss out on things!
10. Team leaders are requested to fill out the given spreadsheet about the details of your team, also fill out your name at 1 place so we can have a better understanding.
