Summary of Conducted Webinars (Sem. I : A.Y.: 2021-22)

Sr. No	Title of Activity	Name of associated industry	Organized for students/ teachers/ non-teaching staff	Date of event	Duration	Number of participants	Outcomes of the activity
1	Webinar on "Opportunities in Germany after Undergraduate Course"	Department of Defence & Strategic Studies, SPPU, Pune	Students	5/10/2021	1 hour	101	101 students attended the session & got knowledge of opportunities in Germany after undergraduate course.
2	Webinar on "Personality development and opportunities by learning Japanese Language".	Indo Japan Business council	Students	20/10/2021	1 hour	125	125 students attended this webinar & got insights of Opportunities in Japan after degree.
3	Webinar on "Yoga Meditation"	Herbal Life Fitness Centre, Pune	Students	6/10/2021	1 hour	98	98 students attended the session & got knowledge of Yoga & meditation.
4	Inauguration of AISA Association	AISSMS IOIT College	Students	27/9/21	Fullday	136	All students participated in various cultural and sports events.
5	Quizzo-Mania Event	IOIT college	Students	01/10/21	1 Hour	136	98 students attended the session & got knowledge of Yoga & meditation.
6	Navratri Utsav	AISSMS IOIT College	Students	06-16/10/21	Fullday	136	All students participated in various cultural and sports events.
7	Doctor's Talk on More screen time anxiety	IMA Kolhapur	Students	25/09/21	1 Hour	130	98 students attended the session & got knowledge of

Program Level: College

Date: 5th October 2021 Tuesday

Duration in Days: 1 Day

Organized By: Department of Artificial Intelligence and Data Science, AISSMS IOIT,
Kennedy Road, Near RTO, Pune.

Resource Person: Mrs. Pooja Khandebharad(Bhondve)

Venue: Online- Microsoft Teams

Time: 01:30 p.m.- 02:30 p.m.

Event coordinator (Faculty): Mrs. Pooja Khandebharad (Bhondve)

Topics Covered in Short:

1. Different prospective and commonness of German language
2. Opportunities after learning German Language
3. Job Opportunities in Germany for engineers.

Brief Description of Theme:

The webinar was mostly focused on 4 Major Topics. –Opportunities for AI&DS Engineers, Institutions who provide Certifications, Examination Pattern and About the German Language. The Speaker of the webinar was Ms. Tejashree Nikam who is Visiting Faculty at Department of Defence and Strategic Studies, Savitribai Phule Pune University. She began with the Opportunities for AI&DS Engineers in India as well as Germany after learning the German Language, also talked about the Master’s Program in Germany. Further the German language was explained and how the nature of Germans was particular and Straightforward. And how the language is also on the same grounds. Then about the Script followed by Major Institutions who provide German Certificates. This was the overall Idea.

Outcome of the program:

The webinar was focused on creating awareness among all engineering students about the importance of German Language and Job opportunities for engineers in German. Also it explained how other activities along with academics are important.

Invitation Letter For Conduction of webinar

pooja bhondve <pooja.bhondve@aissmsioit.org> Tue, Oct 5, 12:30 PM

to tnunipune11, suresh

To,
Ms. Tejshree Nikam
Visiting Faculty at Department Of Defence & Strategic Studies,
SPPU ,PUNE

Dear Tejshree,

The Department of Artificial Intelligence and Data Science of AISSMS's Institute of Information Technology, Pune in association with the Indian Society for Technical Education & Artificial Intelligence Students Association is going to organize a Session on " Opportunities In GERMANY After Under Graduate Courses " for S.E. (A&B) students on 05th oct 2021 from 1:30 PM to 2:30 PM. This session is specially designed to introduce opportunities in the domain of data science.

It gives us immense pleasure to invite you to share your experience of Data Science Engineering on 05th oct 2021 . We would be thankful if you could enlighten our students with your knowledge and experience in data science. I am sure your talk will be beneficial for our students.

Please communicate your acceptance and permission to the undersigned.
Thank you.

Enclosed: Webinar Flyer

Thanks & Regards
Pooja Khandebharad(Bhondve)
Assistant Professor
Department of Artificial Intelligence and Data Science

A: Kennedy Road, Near RTO, Pune - 411001, T: +91 (020) 26057983, 26057636 [Ext :],
E: pooja_bhondve@aiissmsioit.org W: www.aiissmsioit.org

Vision of the Department:

To equip students with **core and state of the art Information Technology.**

Mission of the Department:

Imparting **knowledge of Information Technology** and teaching its application through **innovative practices** and to instill **high morale, ethics, lifelong learning skills, concern for the society and environment.**

Appreciation Letter:

Appriciation Letter for conducting a webinar on "Opportunities In GERMANY After Under Graduate Courses " for S.E. (A&B) students on 05th oct 2021 from 1:30 PM to 2:30 PM

Wed, Oct 13, 4:31 PM ☆ ↶ ⋮

To,
Tejshree Nikam,

Dear Tejshree ,

Please accept our sincere appreciation for the inspiring session you provided to our S.E. (A&B) Artificial Intelligence & Data Science students in a webinar on "Opportunities In GERMANY After Under Graduate Courses " for S.E. (A&B) students on 05th oct 2021 from 1:30 PM to 2:30 PM.

Your expertise in this area, depth of understanding and your ability to present the subject in such an interesting way, produced one of the most memorable webinar in our department. The students are very pleased with your valuable inputs and delivery of your knowledge.

Thank you for your support, guidance and encouragement you have provided to students during the webinar.

Thanking You

Thanks & Regards
Pooja Khandebharad(Bhondve)
Assistant Professor
Department of Artificial Intelligence and Data Science

The vision of the Department:

To create **globally recognized AI&DS Engineers for sustainable development.**

The Mission of the Department:

To meet the **current & future demands of the nation in the area of AI&DS**
To produce **high-quality students technically superior, professionally & ethically strong**
To inculcate the **interdisciplinary skillset required to fulfill a societal need**

Message:-

Personality Development and Opportunities by learning Japanese language. 🌟

AISA invites you to attend the grand webinar on how to develop your personality and also how to get opportunities in Japan 🇯🇵

Date: 20th October

Day: Wednesday

Time: 10am

🌟 Highlights of the event

📌 Chief Guests from Freelance Advisor in Indo-Japanese Relations and Senior Director at Capgemini.

📌 Get experts guidance on personality development and get a updated version of yourself

📌 Get experts guidance on opportunities in Japan and how to get started with Japanese.

🌸 CHIEF GUEST 🌸

Mr. Tomio Isogai

Senior Advisor at Japan Desk, Kochhar and former Managing Director of Sharp India Ltd with 37 years of experience.

Mrs. Sujata Kolekar.

Senior Director at Capgemini, bilingual and fluent in Japanese and has 22+ years of experience.

Topics Covered in Short:

1. Different prospective and commonness of Japanese language
2. Indo- Japanese Relations
3. Opportunities after learning Japanese Language
4. Job Opportunities in Japan for engineers.
5. Beyond Industry 4.0

Brief Description of Theme:

The Webinar was focused on 3 Major Topics, Indo-Japanese Relations, Japanese Industry, Advantages of learning Japanese language, Job opportunities for Engineers in Japan. There were 2 speakers. Mr. Tomio Isogai and Mrs. Sujata Kolekar. Mr. Isogai started the webinar by telling about the history of Indo-Japanese relations that goes way long. After that he introduced the Japanese Industry and how beyond the upcoming Industry 4.0 will be developed in near future. Following that Mam told how easy and beneficial it is to learn Japanese language especially for Indians and How it can help us engineers in near future. She also talked about the Job opportunities that Artificial Intelligence and Data Science students can have in Japan. The program concluded by creating awareness among students about the Japanese Language.

Outcome of the program:

The webinar was focused on creating awareness among all engineering students about the importance of Japanese Language and Job opportunities for engineers in Japan. Also it explained how important keeping Indo-Japanese relations is.

GLIMPSES: -

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the following content:

- AISSMS** INSTITUTE OF INFORMATION TECHNOLOGY
- PERSONALITY DEVELOPMENT AND OPPORTUNITIES BY LEARNING JAPANESE LANGUAGE**
- 20 Oct 2021**
- 10 AM**
- Mrs. Sujata Kolekar** (Senior Director at Caggemini, bilingual and fluent in Japanese and has 22+ years of experience)
- Mr. Tomio Isogai** (Senior Advisor at Japan Desk, Kochihar & Co. former Managing Director of Sharp India Ltd with 37 years of experience)
- AISA 2021-22**

The right side of the screen shows a gallery view of participants, including a large profile for 'Kolekar, Sujata' with initials 'SK' and a smaller profile for 'Tomio Isogai'. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

The slide is titled "Choice is yours" and compares three options:

- Do you want to work in India?** (Blue circle)
 - 12 Industrial Estates
 - Many Japanese Companies
 - Many service providers
- Do you want to work in Japan?** (Red circle)
 - Too many open requirements – just needs to be Level 3 + Japanese
- Do you want to work in other countries with Japanese association?** (Green circle)
 - Too many open requirements – just needs to be Level 3 + Japanese

The right side of the image shows a Zoom gallery view with two participants: 'Kolekar, Sujata' and 'Tomio Isogai'.

Program Level: College

Date: 6th October 2021

Duration in Day(s): 1 Day

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Resource Person: Mrs. Pooja Khandebharad(Bhondve)(Faculty)

Venue: Online- Microsoft Teams

Time: 11:45am to 12:45pm

Event coordinator: Mrs. Pooja Khandebharad(Bhondve) (Faculty)

Topics Covered In Short:

- 1.They taught many asan related to yogasan.
2. How to meditate.

3.Importancen of yoga.

Brief Description of Theme: Mrs. Pooja Bhondve Introduced Mrs. Shital Bhujade. She introduced Yoga to everyone and introduced the importance of Yoga. And Briefly described why the need of Yoga and Meditation in covid19 as well as in everyday life. This is helpful for a healthy life and routine.

She talked about different yoga asanas. She showed different asanas like Pashimotanasana, Bhujangasana, Halasana, Dhanurasana. Then her colleague showed step by step different asanas like Padmasana, Shirshasana, Trikonasana, Ustrasana, Gomukhasana, Chakrasana and so on.

She explained why meditation is important.

*So meditation boosts your immune system's ability to fight off illness.

*It helps us tune out distractions and improves attentiveness.

*Meditation fosters compassion and kindness.

She taught Gayatri mantra to everyone.

Outcome of the program:

The webinar was focused on creating awareness among all engineering students about the importance of Yoga and Meditation.

To,
Mrs Shital Bhujade
Yoga Trainer

Dear Shital,

The Department of Artificial Intelligence and Data Science of AISSMS's Institute of Information Technology, Pune in association with the Indian Society for Technical Education & Artificial Intelligence Students Association is going to organize a Session on "YOGA MEDITATION " for S.E. (A&B) students on 06th oct 2021 from 11:45 PM to 12:45 PM. This session is specially designed to yoga and meditation ,stress management, relaxation exercises and fitness exercises.

It gives us immense pleasure to invite you to share your knowledge and expertise of Yoga And Meditation on 06th oct 2021 . We would be thankful if you could enlighten our students with your knowledge and experience in yoga and meditation . I am sure your talk will be beneficial for our students.

Please communicate your acceptance and permission to the undersigned.
Thank you.

Enclosed: Webinar Flyer

Thanks & Regards
Pooja Khandebharad(Bhondve)
Assistant Professor
Department of Artificial Intelligence and Data Science

The vision of the Department:

To create globally recognized AI&DS Engineers for sustainable development.

The Mission of the Department:

To meet the current & future demands of the nation in the area of AI&DS
To produce high-quality students technically superior, professionally & ethically strong
To inculcate the interdisciplinary skillset required to fulfill a societal need

To,
Shital Bhujade,

Dear Shital ,

Please accept our sincere appreciation for the inspiring session you provided to our S.E. (A&B) Artificial Intelligence & Data Science students in a Session on "YOGA MEDITATION " for S.E. (A&B) students on 06th oct 2021 from 11:45 PM to 12:45 PM .

Your expertise in this area, depth of understanding and your ability to present the subject in such an interesting way, produced one of the most memorable sessions in our department. The students are very pleased with your valuable inputs and delivery of your knowledge.

Thank you for your support, guidance and encouragement you have provided to students during the yoga session.

Thanking You

Thanks & Regards

Topic:- AISA INAUGURATION CEREMONY

Message:

!! Hello everyone !!

✨ We cordially invite one and all to the inauguration ceremony of newly formed Artificial Intelligence Students Association (AISA) Committee for the Academic Year 2021-2022.

✨ So, all the students are sincerely requested to witness the ceremony on 27th September 2021 at 10:30 am.

✨ Looking forward to your valuable presence!

(H.O.D. - Dept. Of Artificial Intelligence and Data Science)

Dr. P. B. Mane
(Principal, AISSMS IOIT)

Program Level: College

Duration in Days: 1 Day

Date: 27th September 2021

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Category of Event: Inauguration of AISA 2021-22.

Venue: Dept. of AI&DS, AISSMS IOIT (for committee members),
Online- Microsoft Teams (for students).

Time: 12pm to 1:30pm

Brief Description:

The Above Mentioned Program was arranged to inaugurate the newly appointed AISA Committee for academic year 2021-22. Anjali Shukla hosted the ceremony starting with Sarasvati Vandana. Principal of AISSMS IOIT, Dr. P.B. Mane sir addressed everyone as a chief guest of the Inauguration Ceremony. Head of Department of Artificial Intelligence & Data Science Dr. S.V. Limkar sir and Faculty Coordinator Prof. Shailesh Gawai sir addressed everyone. Principal Dr. P.B.Mane sir and HOD Dr.S.V.Limkar sir handed over the charge to newly appointed President Aditya Dhumal. Newly appointed President Aditya Dhumal took the pledge of President and introduced AISA 2021-22 . Principal Dr. P.B.Mane sir inaugurated the committee board followed by the unfurling of the flag of the AISA committee and the newly appointed Vice President(Year Head) Sanskriti Magdum introduced the theme of the department for the academic year -**AI as a Revolution**. The newsletter was published and all the HODs received a copy of the same.Yash Sakat performed a song and Shruti Sancheti recited a meaningful piece of poetry. Prajakta Mahangade, Sayali Patil, Madhavi Patil, Shraddha Kumar,Kasturi Joshi performed fusion and individual dance.

Topics Covered In Short: Introduction of AISA committee and committee members. Introduction of events to be organized. Motto of AISA committee. Publication of the newsletter

Committee members of the Program: All the members of AISA Committee

Faculty coordinator: Prof. Shailesh Gawai

Outcome of the program: Inauguration of AISA Committee was done.

Message 1:-

Hello Everyone!!

The AISA Committee is organizing a Quiz Competition on 1st October, 2021 based on Artificial Intelligence, Technology, Computer Systems and its Applications

The students who wish to compete are requested to register themselves on the below mentioned link:

<https://forms.gle/HpBdu4KupUaAWxiq7>

Registrations closing on 29th Sept, 11:59 PM

The participants are requested to join the WhatsApp Group through the invite link which can be accessed after submitting the entry.

Date: 1st October 2021

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Venue: Online- Quizizz
Youtube Live Stream
& Microsoft Teams.

Time: 5pm to 6:30pm

Brief Description of Theme:

This event was focused on encouraging students to be more familiar with Artificial Intelligence & computer applications.

Topics Covered In Short:

1. Artificial Intelligence
2. Technology
3. Computer and its applications.

No. of participants: 10

Detail of Attendees: 60

Price Pool: Rs.400

Winners:

1. Rutuja Sahane
2. Chaitanya Sarovar
3. Mayur Biradar

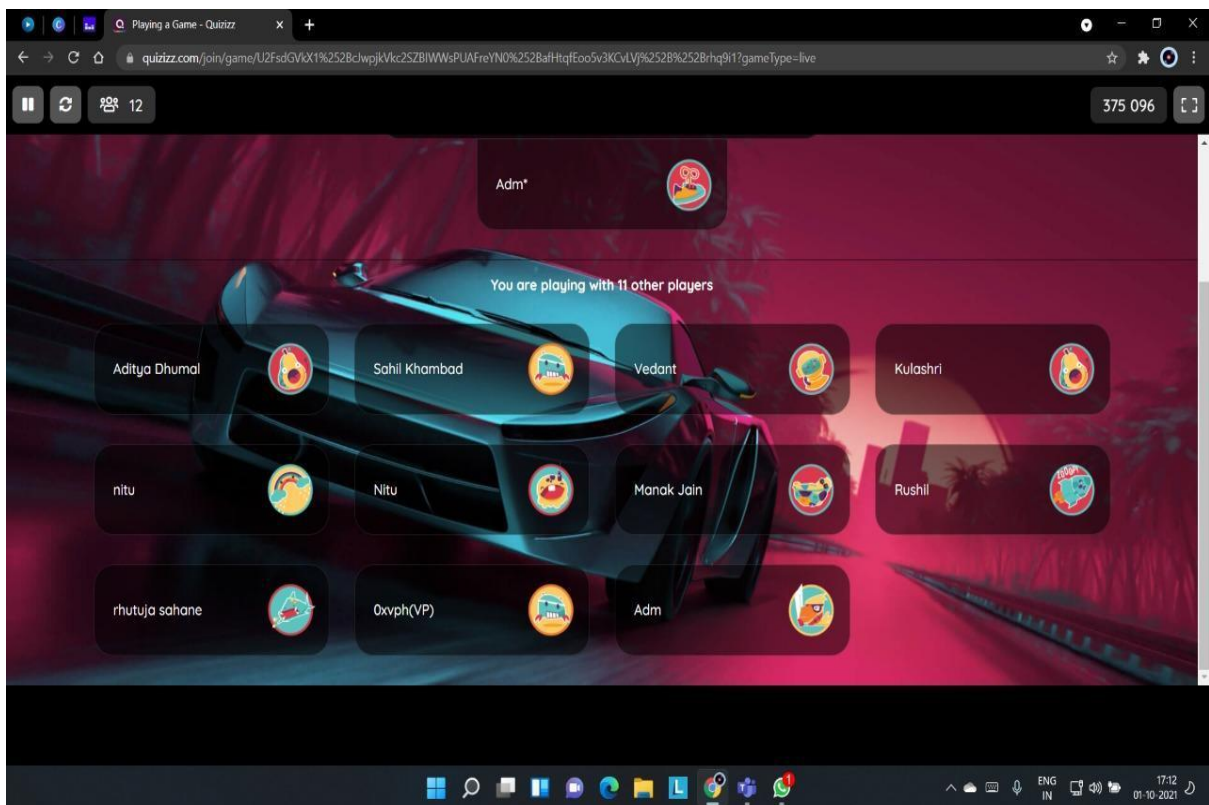

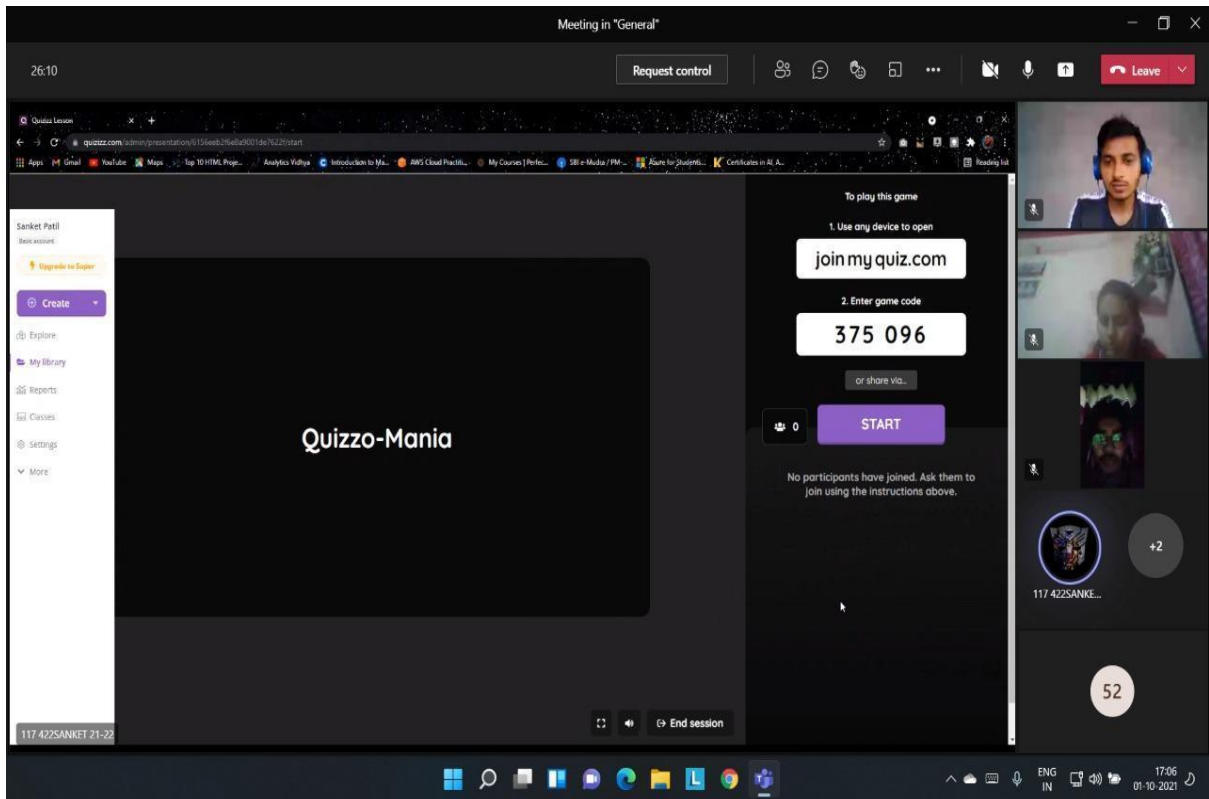

Committee members of the Program:

Sanket Patil

Outcome of the program:

Students became more familiar with Artificial Intelligence and Computer Applications. They came to know about various amazing facts about it. They got to know more about how AI works in our daily life and everyday work And how it is helping to reshape the world

Program Level: College

Category of Event: Cultural Event

Duration in Days: 11 days

Date: 6th October 2021 to 16th October 2021.

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Venue: Online

Topics Covered In Short:

- 1.AISA vogue contest
- 2.AISA rangoli art
- 3.AISA mehendi contest

Brief Description of Theme:

The three different contests via AISA vogue contest, AISA rangoli art and AISA mehendi contest were arranged by AISA committee members. As the event was conducted during 9 days period of Navratri, hence complete traditional outfit was theme of vogue contest. Participants uploaded their top to bottom unedited picture, up to mark outfits were given the maximum points. In rangoli contest participants have to upload two images of rangoli made by themselves which depict some message.

Mehendi contest had no theme. Participants could make any type of mehendi according to their choice but it should cover more than 1/4th of the hand. In both rangoli contest and mehendi contest participants have to upload two images, when it is 50% done and second when 100% is done.

Outcome of the program:

Many students enthusiastically took part in competition. They got a opportunity to show their skill. This event gave wings their confidence. This event indirectly took attention to aspects of our material and social surrounding in ways that produce powerful cognitive outcome.

Program Level:-_College

Duration in Day(s): 1 Day

Date: 25th September 2021

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Venue: Online- Microsoft Teams

Time: 5pm to 6pm

Brief Description of Theme:

Webinar was focused on the importance of reducing screen time and some good healthy food habits and exercises to live a healthy life. Speaker introduced herself to everyone. Speaker gave students a brief description about Herself, her Journey and her Achievement. She talked about the various conferences she attended and also about her Experiences. This webinar has made awareness among all the students.

Topics Covered In Short:

More screens leads to more and more obesity and anxiety.
Importance of healthy diet and exercise.

Detail of Attendees: 32

Committee members of the Program:

Kulashri Kale (AISA)
Tejas Tekawade (AISA)

Outcome of the program:

This webinar i.e is Doctor's talk was focused on creating awareness among all engineering students about the importance of healthy diet and exercise

for the students who are spending more time on screen which is leading to many physical as well as mental health problems.

The teacher must be so great that she made the kids sing with this perfection.

Program Level: College

Duration in Day(s): 1 day

Date: 24th September, 2021

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Venue: Online- Microsoft Teams

Time: 2pm to 3pm

Brief Description of Theme:

Webinar was focused on importance and opportunities in respective entities among all engineering students about application of Artificial Intelligence. Speaker introduced himself to everyone. Speaker gave students a brief description about Himself, his Journey , Achievement and his startup(Thrifty AI). He talked about the various conferences he attended and also about his Experiences. The webinar gave ideas of many fields included in the computer sector and how they work.

Topics Covered In Short:

Journey , Achievement and work profile of Thrifty AI. Importance and opportunities in Artificial Intelligence, Machine learning and Computer sector.

Detail of Attendees: 52

Committee members of the Program:

Rushil Sawant (AISA)

Outcome of the program: Webinar was focused on creating awareness among all engineering students about importance and opportunities in respective entities. Students gained knowledge about Artificial Intelligence and its Applications. It will help them in the future.

CYBER SECURITY AWARENESS QUIZ

DATE: 17 OCTOBER 2021

TIME: 10 AM

AISA
2021-22

Message :
!!Hello everyone !!

AISSMS'S INSTITUTE OF INFORMATION TECHNOLOGY, PUNE
Organized by Artificial Intelligence and Data Science (AISA)
In Association with ISTE,

Artificial Intelligence and Data Science Department invites you to attend the
Quiz on ,

● "CYBER SECURITY " ●

On, 17h October, at 10:00 AM

Dear IOITians,

📌 We are pleased to inform you that the AISA Committee is organizing the
Quiz on CYBER SECURITY AWARENESS . Link for the quiz will be open at
10:00 am in the morning and will be closed at 6:00 pm in the evening. Link will
be valid only for 10 mins after starting the Quiz. 📌

🌟 We look forward to your active participation in this enlightening and informative Quiz.
Thank You! 🌟

🌸 Sincere Regards 🌸

Aditya Dhumal
(President, AISA)

Shivam Shinde
(Vice President, AISA)

Sanskriti Magdum
(Vice President/ Year Head, AISA)

Durvesh Baharwal
(Event Coordinator)

Prof. Shailesh Gawai
(Faculty Coordinator, AISA)

Dr. S.V.Limkar
(H.O.D. - Dept. Of AI & DS)

Dr. P. B. Mane
(Principal, AISSMS IOIT)

Link for joining the Quiz :- joinmyquizz.com
Code for Quiz is :- 0274 0030

Program Level: College

Category of Event: Technical

Date: 17/10/2021

Duration in Day(s): 1 day

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Resource Person: faculty,students

Venue: online

Time: 10 am to 5pm

Event coordinator: Durvesh Baharwal

Topics Covered In Short: Password and wifi security,General Online safety,Securing Online payments,mobile security,Securing personal data

Brief Description of Theme: The program was organized on account of cyber awareness week so as to make everyone aware about cyber security and educate them to not get attacked by cyber frauds.

During the quiz 10 questions from each topic were asked to students so as to test the level of awareness regarding cyber security in each field. At the end of completing the quiz score was also given and a participation certificate was also provided to the students who participated in the quiz.

Outcome of the program: Awareness toward cyber security

Winner:

1st. Shivtej Ghosalkar

2nd. Aditya Dhumal

3rd. Sanket Patil

Detail of Attendees:

Rank	First Name	Last Name
1	shivtej	Ghosalkar
2	Aditya	Dhumal

GLIMPSE-

Password and Wi-Fi Security

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

- This is a timed quiz with 10 questions to be answered in 600 seconds • These questions will be randomly picked from the question bank.
- Winners will be adjudged on the basis of maximum number of correct answers.
- In case of multiple participants having given the same number of correct answers, the participants who take the least time to complete the quiz will be adjudged the winner.
- You can skip a tough question and come back to it later.
- The quiz will start as soon as you click the Start Quiz button.

1 . Question

Why Keeping Your Wi-Fi Home Network Secure Is Important?

Your router controls access to your home Wi-Fi network and through all of your phones, tablets, laptops, and more.

B. You may get hacked if you are using the default username and password for your Wi-Fi network.

C. Your sensitive data may be stolen by a hacker if he is able to capture traffic from your device and wi-fi network.

D. All options are correct.

Answer : D

2. Question

You just want to know about a zoo in your city. You searched on the Internet and found a contact no. to inquire about the same. When you contacted that number, a person asked for your email id and sent you a form to fill and send back to him to book a time to visit the zoo. This form required your email and password. What should you do?

You will fill the form and send it back.

Will not fill the form and report the nearest police station about that number and link on that search engine.

Will not do anything and keep quiet.

Will fill the form with wrong details.

Answer : B

3. Question

What is the best practice to securely use public Wi-Fi?

Keep your Wi-Fi off, if not required.

Ensure to use HTTPS websites only.

Avoid providing sensitive information like passwords, while working in the public wi-fi network.

All of the above.

Answer : D

4. Question

How would you identify a secure website?

A plus sign (+) to the right of the tab

A star icon to the right of the URL

A lock icon to the left of the URL

Answer : C

5. Question

Two -factor authentication also known as two-step verification is a great way to make sure your accounts don't get hacked. Select which account you should have Two-factor authentication enabled for:

Facebook

Email

Bank account

Answer : B

Program Level: College

Date: 5th April 2022 Tuesday

Duration in Days: 1

Organized By: Department of Artificial Intelligence and Data Science, AISSMS IOIT, Kennedy Road, Near RTO, Pune.

Resource Person: Mr. Vipul Howale, Technical Head- BirlaSoft Pvt. Ltd.

Venue: Online- Microsoft Teams

Time: 02:00 p.m.- 03:00 p.m.

Event coordinator (Faculty): Mrs. Pooja Bhondve Mam

Topics Covered in Short:

1. Different prospective and commonness of C++
2. Opportunities after learning C++ in industry
3. Job Opportunities after learning C++ in information system and OOPs
4. Object Oriented Programming system

Brief Description of Theme:

The webinar was mostly focused on mainly what C++ language is about. And how its impact can be used in the Industry of Information System.

Outcome of the program:

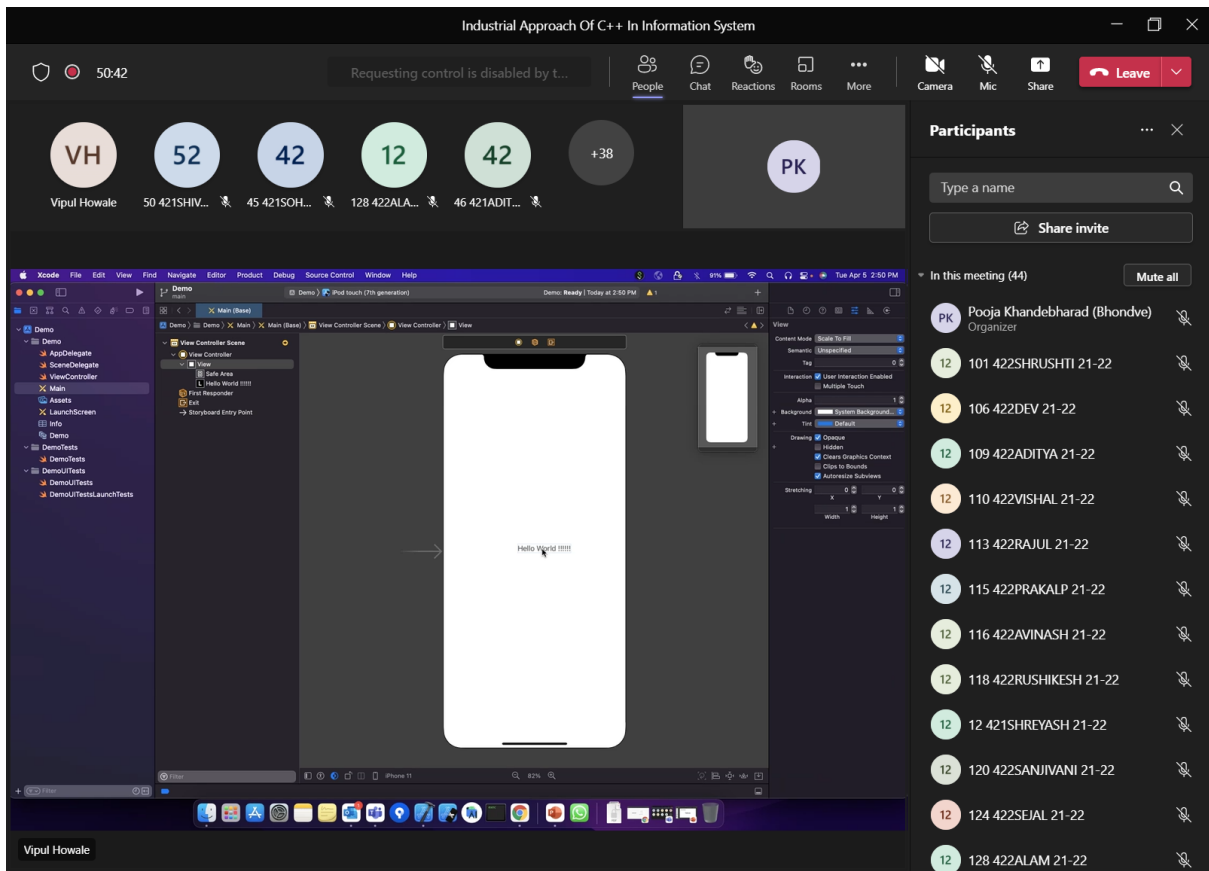

The webinar was focused on creating awareness among all engineering students about the importance of C++ language and its use in Information System Industry and all how it helps in market through mobile development. Job opportunities for engineers in C++. Also it explained how other activities along with academics are important.

Dear Vipul Howale ,

Please accept our sincere appreciation for the inspiring session you provided to our Students of AISSMS's IOIT, Pune has conducted a expert session on Industrial approach for c++ in Information System for the academic year 2021-22

Your expertise in this area, depth of understanding and your ability to present the subject in such an interesting way, produced one of the most memorable sessions in our department. The students are very pleased with your valuable inputs and delivery of your knowledge.

Thank you for your support, guidance and encouragement you have provided to students during

Thanks & Regards

Pooja Khandebharad(Bhondve)

Assistant Professor

Department of Artificial Intelligence and Data Science

**The vision of the Department:**

To create globally recognized AI&DS Engineers for sustainable development.

The Mission of the Department:

To meet the current & future demands of the nation in the area of AI&DS

To produce high-quality students technically superior, professionally & ethically strong

To inculcate the interdisciplinary skillset required to fulfill a societal need

the session .

Mehendi Drawing Competition

Message:

📢📢 Hello ppls 🙌

On the occasion of Gudhipadva Team AISA is organizing Mehendi Competition

👉 It is time to show your art 😊

Do participate and win exiting prizes 🎁🎁

⚙️ Rules

- ◆ The competition will be for Ai and Ds students only
- ◆ The competition will be on Friday 01/04/2022 at Room No 405(4th floor) at 10:30 to 11:30
- ◆ Mehendi cones will be provided to you
- ◆ After competition participants will have refreshment

Program Level: Department

Duration in Days: 1 Day

Date: 1st April, 2022

Organized By: AISA, AISSMS IOIT, Kennedy Road, Near RTO, Pune

Venue: AI&DS Department

Brief Description of Theme:

On the occasion of Gudhipadva Mehendi drawing competition was arranged at department level by the AISA committee members. Arpita Marathe was the student event coordinator for the competitions. Many girls took part in the competition. Everyone had their different style of making mehendi. Mehendi cones were provided by committee itself. All the coordinators and staff encouraged this activity. Mrs. Divya Babar and Mrs. Pooja Bhondve were the judges for competition. Refreshments were provided for the participants after the competition.

Outcome of the program:

It was fun and slight change in the daily college schedule which gave wonderful festive vibe. Girls of the department actively took part in the competition. They got a wonderful opportunity to show their talent. All the non-participants encouraged and motivated participants to give their best.

Certificate:

The certificate is presented on a white background with a dark green border. At the top left, there are two crests: one of a knight on a horse and another of a standing figure. Between them is the text 'AISSMS INSTITUTE OF INFORMATION TECHNOLOGY' and 'ADDING VALUE TO ENGINEERING'. The main title 'CERTIFICATE OF PARTICIPATION' is in large, bold, dark green letters. Below it, the recipient's name 'KARAN CHAUHAN' is written in large, bold, black letters. The text 'IS PROUDLY PRESENTED TO :' is in a smaller, italicized font. Below the name, it says 'as a participant in "Project Exhibition" Organized by AISA on 11th May 2022.' There are two signatures: one in blue ink on the left and one in black ink on the right. Below the blue signature is the name 'Prof. Pooja Bhonve (Faculty Coordinator)'. Below the black signature is the name 'Dr. Suresh Limkar H.O.D.'. A yellow ribbon award is placed between the two signatures. On the right side of the certificate, there is a dark green geometric pattern with yellow and white lines. In the top right corner of this pattern, there is a logo for 'ARTIFICIAL INTELLIGENCE STUDENTS ASSOCIATION AISA 2021-22' featuring a stylized head with gears.
