Established in August 1999, the All India Shri Shivaji Memorial Society's Institute of Information Technology, Pune is a self-financing college. We are centrally located in the heart of Pune City and are about 1 KM from Pune and Shivajinagar Railway Stations. Our location advantage enhances the traditional classroom experience by offering students greater resources, contact with business and academic authorities, internships, etc. We offer UG, PG Course and are recognized as Ph.D. Research Centre. Our well-qualified faculty members help students in getting a great learning experience. Aspirants also get well-equipped infrastructure and laboratory facilities in all the branches. The institute has an excellent placement record.
