## National Education Policy Awareness

**Duration in days:** One day

**Date:** 25/07/2023

**Name of the event:** NEP Awareness

**Organized by:** NSS

**Venue:** AISSMS IOIT

**Number of participant-** Male:38 Female: 21 Total: 59

**Objective:** To raise awareness and step towards NEP.

### Details:

On 25<sup>th</sup> July 2023, the All-India Shri Shivaji Memorial Society's Institute of Information Technology, Pune's along with National service Scheme volunteers, SDO and NSS Programme Officers organized National Education Policy Awareness program. Students made awareness through explaining NEP vision, objectives and advantages to their relatives, friends and community persons.

This National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world. The vision of the Policy is to instill among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

The fundamental principles that will guide both the education system at large, as well as the individual institutions within it are:

- Recognizing, identifying, and fostering the unique capabilities of each student, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres;
- According the highest priority to achieving foundational literacy and numeracy by all students by grade 3;
- Flexibility, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;
- No hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. In order to eliminate harmful hierarchies among, and silos between different areas of learning;
- Multidisciplinarity and a holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;
- Emphasis on conceptual understanding rather than rote learning and learning-for-exams;
- Creativity and critical thinking to encourage logical decision-making and innovation;

## National Service Scheme(NSS) Unit code: A 82

- h. Ethics and human & constitutional values like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;
- i. Promoting multilingualism and the power of language in teaching and learning;
- j. Life skills such as communication, cooperation, teamwork, and resilience;
- k. Focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture';
- l. Extensive use of technology in teaching and learning, removing language barriers, increasing access for divyang students, and educational planning and management;
- m. Respect for diversity and respect for the local context in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;
- n. Synergy in curriculum across all levels of education from early childhood care and education to school education to higher education;
- o. Teachers and faculty as the heart of the learning process – their recruitment, continuous professional development, positive working environments and service conditions;
- p. A 'light but tight' regulatory framework to ensure integrity, transparency, and resource efficiency of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment;
- q. Outstanding research as a co-requisite for outstanding education and development;
- r. Continuous review of progress based on sustained research and regular assessment by educational experts;

**Outcome of the program:** students interacted with 200 people in community .

## Hand Wash Day

**Duration in days:** One day

**Date:** 15/10/2023

**Name of the event:** Hand Wash Day

**Organized by:** NSS

**Venue:** AISSMS IOIT

**Number of participant-** 56

**Objective:** To maintain hygiene.

**Details:** All India Shri Shivaji Memorial Society's Institute of Information Technology, Pune has organized Hand Wash Day activity on 15<sup>th</sup> October 2023. Global Handwashing Day highlights the importance of handwashing with soap and water at home, in the community, and around the world. Hand washing with soap and water is one of the best steps we can take to avoid getting sick and spreading germs to others. This activity seeks to raise awareness of making soap and water available globally, especially in public places, schools, and health care facilities to improve hand hygiene efforts in the COVID-19 response that can outlast the pandemic and ensure continued access to clean water and soap. Many germs that can make people sick are spread when we don't wash our hands with soap and clean, running water. That is why handwashing is so important, especially at key times such as after using the bathroom, when preparing food, before eating, and after coughing, sneezing, or blowing your nose. Principal Dr.P.B.Mane motivated and guided for this activity and conducted by Mr.Sachin Kokane and Mr. C.K.Bhange.
