International Internships

Shraddha Gharwade has successfully completed international internship under Professor Jia-De Lin in the Soft Material Photonics Lab. My research included work on liquid crystals, photonics, and lasers, with a focus on integrating digital technologies for sustainability from 7th September - 20th October 2024

Expert Sessions

Expert Session on International Collaboration opportunity

Date: 14/1/2025

Resource Person:

Dr.Sandeep Inamdar
Director CGC, India and Vice President, Vishwaniketan

No. of students participated/benefitted: 179

Objectives:

1. To introduce students to the concept of international collaboration and the wide range of opportunities
2. To emphasize the importance of developing cross-cultural communication skills .
3. To show students how they can build an international network, connect with peers, professionals etc.

Outcomes:

1. Students gained a clear understanding of the various international collaboration opportunities.
2. Students developed a better appreciation for cultural diversity.
3. Students equipped with strategies for building international networks, helping them connect with peers, professionals, and academic institutions worldwide.
4. Students recognized how international collaboration can enhance their career prospects by providing access to global industries, multinational organizations, and international job markets.
5. Students learned about funding opportunities, scholarships, and grants.

Abstract

The session revolved around fostering awareness of global opportunities and equipping students with the tools necessary to excel on an international stage. It focused on introducing students to the concept of international collaboration and emphasizing the importance of cross-cultural communication skills for thriving in today's globalized world. Dr. Inamdar also highlighted

AISSMS

INSTITUTE OF INFORMATION TECHNOLOGY

ADDING VALUE TO ENGINEERING

International Partnership Cell

strategies for building international networks with peers, academic institutions, and professionals. Moreover, the session provided insights into collaborative academic programs, such as student exchange initiatives, dual-degree options, and joint research opportunities, while explaining how these programs can enhance employability and open avenues in multinational organizations, NGOs, and global industries.

Expert Session on International Opportunities with San Diego State University

Date: 14/1/2025

Resource Person:

Dr. Mahasweta Sarkar

Director of the Wireless Networks and Communication (WINC) Laboratory at San Diego State University (SDSU)

No. of students participated/benefitted: 74

Objectives:

1. To provide an overview of the university's international programs, including study abroad options, exchange programs, and internships.
2. Showcase San Diego State University's academic partnerships with universities and organizations around the world.
3. To inform students about the potential career benefits of gaining international experience through internships, research projects, and global job markets.
4. To emphasize the value of cultural immersion and global education in developing well-rounded, globally aware professionals.

Outcomes:

1. Students will gain a clear understanding of the international programs available at San Diego State University, including study abroad, internships, and academic exchanges.
2. A higher number of students will express interest in participating in global opportunities.
3. Students will develop a greater awareness of the importance of global education, becoming more open-minded and motivated to engage with different cultures.
4. The session will encourage more students to apply for international opportunities, leading to higher participation rates in global programs.

Abstract:

The centerpiece of the discussion was SDSU's GlobalFlex Master's Program in Computer Engineering, a tailored pathway for international students aiming to pursue advanced studies in a globally recognized academic environment. This program is designed to provide flexibility, academic excellence, and a cost-effective route for students from India and other countries to gain a master's degree from SDSU. The GlobalFlex Master's Program spans three semesters, comprising a total of 10 courses (30 credits). Students begin their journey in their home country and complete their degree at SDSU's California campus.

AISSMS

INSTITUTE OF INFORMATION TECHNOLOGY

ADDING VALUE TO ENGINEERING

International Partnership Cell

Dr. Sarkar's session offered a comprehensive overview of SDSU's GlobalFlex Master's Program and its potential to transform the academic and professional trajectories of international students. Her passion for fostering educational collaboration resonated throughout the session, inspiring attendees to explore the opportunities SDSU provides. As global education becomes increasingly vital in shaping future leaders, programs like GlobalFlex exemplify how institutions can bridge geographical and cultural gaps to create impactful learning experiences. For students aspiring to make their mark in the ever-evolving field of computer engineering, SDSU's initiative offers a gateway to excellence and global recognition.

Expert Session on Innovative Programs by Abertay University UK

Date: 11/1/2025

Resource Person:

Mr.Dough Watters
Head of International recruitment,
Abertay university,Scotland, UK

No. of students participated/benefitted: 145

Objectives:

1. To provide students with real-world international work experience through partnerships with global companies and virtual internship opportunities.
2. To facilitate joint research projects and publications with international universities and organizations to promote academic exchange and innovation.
3. To enhance cultural and academic understanding by offering short-term and long-term student exchange opportunities with partner institutions worldwide.
4. To expand access to global education through MOOCs, online certifications, and virtual classrooms that connects students with international experts and institutions.

Outcomes:

1. Enhanced global work experience and professional skills, increasing employability in international markets.
2. Increased academic visibility and cross-border knowledge exchange, with co-authored research papers and international recognition.
3. Broadened cultural perspectives, improved language skills, and strengthened global academic and professional networks.
4. Accessible global education and diverse learning experiences, fostering international collaborations and knowledge sharing.

Abstract

The event was graced by the esteemed presence of Dr. Pradeep Mane, Principal of AISSMS IOIT, who warmly felicitated the distinguished guest, Mr. Doug Watters, Head of International

AISSMS

INSTITUTE OF INFORMATION TECHNOLOGY

ADDING VALUE TO ENGINEERING

Recruitment at Abertay University, IC3 Leader of the Africa Committee, and a distinguished member of the Board of Victoria League Scotland.

Recognized as a leader in Scotland for preparing students for successful careers in cybersecurity, Abertay University's Academic Centre of Excellence in Cyber Security Education stands as a testament to its commitment to excellence. The center fosters an environment where students, staff, and graduates thrive through dynamic teaching methods, pioneering research, and robust knowledge exchange activities. Watters highlighted the university's holistic approach to education, blending theoretical knowledge with practical experiences to ensure graduates are industry-ready.

International conference on Emerging smart computing and Informatics - 2025

Date: 5/3/2025-7/3/2025

Resource Person:

1. Dr. Anil K Rajvanshi, Padma shree Awardee, director, NARI , Phaltan
2. Maode Ma, Professor at Qatar University
3. Octavian Postolache, Associate Professor ,Portugal
4. Dr. Deepak Waikar, Researcher-Pro, Academic Adviser, Singapore
5. Takako Hashimoto, IEEE R10 Director

No. of students participated/benefitted: 1505

Objectives:

1. Facilitate interdisciplinary collaboration in smart computing and informatics.
2. Address societal, environmental, and industrial challenges through innovative solutions.
3. Promote the application of emerging computational and knowledge transfer approaches across various disciplines, including science, technology, and healthcare.

Outcomes:

1. Disseminate the latest research findings and technological advancements.
2. Enable collaborations among researchers, academicians, and industry professionals.
3. Accepted and presented papers were forwarded for inclusion in the IEEE Xplore digital library, ensuring global accessibility.

Abstract

The conference was academically supported by San Diego State University- US, Nepal Engineering College- Nepal , Sri Lanka Technical Campus- Sri Lanka , and Muscat College- Oman.

We have received **56** international papers from countries like USA, UK, UAE Japan, Indonesia, Egypt, Saudi Arabia, Turkey, Ethiopia, Romania, Nepal, Bangladesh etc. We have received **666** papers from outside of Maharashtra and **626** papers are from Maharashtra. This itself shows the popularity of our conference across the globe.

Out of 1505 papers, TPC team released the acceptance notification for 329 papers and 193 papers are registered successfully with the active involvement of registration team. The

International Partnership Cell

authors of these 193 papers has presented their work in these 3 days of conference. The acceptance ration of conference was 21.8%.

As this conference is in hybrid mode so 193 registered papers are organised in 29 online sessions and 3 offline sessions with the support of Program chair and Virtual session coordinator.

Study Abroad Fest 2025

Date: 21/3/2025

Resource Person:

University Name
University of Exeter
University of Sussex
Trinity College Dublin
University of Bath
University of Bangor
Heriot Watt University
University of Aston
Brunel University
Cranfield University
Queen Belfast University
Keele University

No. of students participated/benefitted: 407

Objectives:

- To Introduce students to various international study opportunities, including exchange programs, internships, and language courses.
- To Offer insights into application processes, scholarship opportunities, visa requirements, and cultural adjustments.
- To Create a platform for students to interact with representatives from partner universities, alumni, and peers who have studied abroad.

Outcomes:

- Equipped students with the knowledge needed to make informed choices about studying abroad, aligning with their academic and career goals.
- Prepared students for the challenges and opportunities of living and studying in a foreign country, promoting cultural adaptability and global awareness.
- Build connections among students, educational institutions, and international partners, fostering a supportive community for future study abroad participants.

MoU Signing

AISSMS IOIT has joined hands with the
National Taipei University of Technology, Taiwan.

On August 13, 2024, we formalized our partnership with the signing of a Memorandum of Understanding and a student exchange agreement.

This collaboration will foster joint research initiatives, faculty and staff exchanges, and provide students with exciting opportunities to study abroad.

We look forward to the enriched experiences and innovations this partnership will bring!

Regards,

Dr. Pradeep B. Mane

पुण्य नगरी

एआयएसएसएमएस व श्रीलंका टेक्नॉलॉजीत सामंजस्य करार

। पुणे : प्रतिनिधी

ऑल इंडिया श्री शिवाजी मेमोरियल सोसायटीच्या इन्स्टिट्यूट ऑफ इन्फॉर्मेशन टेक्नॉलॉजी विभाग आणि श्रीलंका टेक्नॉलॉजी कॅम्पस, पदुक्का, श्रीलंका यांच्या वतीने शैक्षणिक आणि संशोधन सहकार्यावर नुकताच सामंजस्य करार करण्यात आला. या करारावर डिजिटल पद्धतीने एआयएसएसएमएस संस्थेचे प्राचार्य डॉ. पी. बी. माने आणि श्रीलंका कॅम्पसचे प्र-कुलगुरू डॉ. वेरंजा करुनारत्ने यांनी स्वाक्षरी केली. या कराराच्या सर्व प्रक्रियांचे समन्वय संस्थेच्या डीन डॉ. मीनाक्षी ए. थलोर यांच्या

मार्गदर्शनाखाली झाले.

या करारामुळे दोन्ही संस्थांमध्ये शैक्षणिक आणि संशोधनात्मक देवाणघेवाण अधिक मजबूत होईल. विद्यार्थ्यांसाठी आणि प्राध्यापकांसाठी शैक्षणिक आदानप्रदान, संयुक्त संशोधन, तसेच परिषदा आणि चर्चासत्रे यांसारख्या विविध उपक्रमांची आखणी करण्यात आली आहे. ज्यामुळे जागतिक शैक्षणिक समुदाय निर्माण करण्याच्या दिशेने पुढे जाण्याचा प्रयत्न करण्यात आला आहे.

उपक्रमामुळे प्राध्यापकांना संशोधन प्रकल्पांवर एकत्र काम करण्याची संधी मिळेल. तसेच, वेगवेगळ्या क्षेत्रातील चांगल्या

शिक्षण पद्धतींचा आदानप्रदान होईल, ज्यामुळे नवनवीन दृष्टिकोनांचा विकास होईल. तसेच विद्यार्थ्यांना परदेशी शैक्षणिक प्रणालीचा अनुभव घेण्याची आणि जागतिक दृष्टिकोन विकसित करण्याची संधी मिळेल.

यामुळे त्यांचे शिक्षण अधिक व्यापक होईल. यासोबतच संयुक्त व्याख्याने आणि चर्चासत्रे आयोजित करून विविध क्षेत्रांतील विचारवंत आणि तज्ज्ञांशी संवाद साधण्याची संधी मिळेल. तसेच, शैक्षणिक क्षेत्रातील नवीन प्रवाह आणि आव्हानांवर चर्चा केली जाईल. संस्थेचे मानद सचिव मालोजीराजे छत्रपती यांनी करारासाठी शुभेच्छा दिल्या.

‘एआयएसएसएम’मध्ये रोजगाराचे धडे!

पुणे : पारंपरिक शिक्षण घेतल्यानंतर त्यातील उच्च शिक्षणाच्या संधी कशा हेराव्यात, त्यासाठी शिष्यवृत्ती कशी मिळवावी, घेतलेल्या शिक्षणावर आधारित आंतरराष्ट्रीय रोजगार संधी कशा धुंडाळाव्यात याचे धडे विद्यार्थ्यांनी गिरविले.

एआयएसएसएम इन्स्टिट्यूट ऑफ इन्फॉर्मेशन टेक्नोलॉजीने सीटीआयएफ ग्लोबल कॅम्पस (सीजीसी)च्या नेतृत्व-खाली यूजी फेलोशिप कार्यक्रम आयोजित केला होता. विद्यार्थ्यांना जगभरातील प्रतिष्ठित विद्यापीठांमध्ये इंटर्न होण्याची अनोखी संधी या कार्यक्रमाद्वारे दिली जाते. डॉ. एम. ए. थालोर यांच्या मार्गदर्शनाखाली हा कार्यक्रम आयोजित करण्यात आला होता. प्राचार्य डॉ. पी. बी. माने, सीटीआयएफचे डॉ. संदीप इनामदार या वेळी उपस्थित होते.

एआयएसएसएमच्या कार्यक्रमातील क्षण.

डॉ. इनामदार यांनी समवयस्क, शैक्षणिक संस्था आणि व्यावसायिकांसह आंतरराष्ट्रीय नेटवर्क तयार करण्याच्या धोरणावर प्रकाश टाकला. तसेच, आंतरराष्ट्रीय सहकार्यामुळे बहुराष्ट्रीय कंपन्या, स्वयंसेवी संस्था आणि जागतिक उद्योगांमध्ये करिअरच्या संधी कशा उपलब्ध होऊ शकतात याबाबत मार्गदर्शन केले. डॉ. संदीप इनामदार यांनी फेलोशिपसारख्या उपक्रमांचे महत्त्व अधोरेखित केले.

एआय संशोधनासाठी जगभरातून प्रतिसाद

‘एआयएसएसएमएस’मधील आंतरराष्ट्रीय परिषदेत १९३ शोधनिबंध सादर

प्रभात वृत्तसेवा

पुणे, दि. १८ - एआयएसएसएमएसच्या आयओआयटी महाविद्यालयात आर्टीफिशियल इंटेलिजन्स (एआय) संशोधनाला चालना देण्यासाठी आयईईई- इमर्जिंग स्मार्ट कंप्यूटिंग अँड इन्फॉर्मेटिक्स-ईएससीआय - २०२५ ही सातवी आंतरराष्ट्रीय परिषद आयोजित करण्यात आली होती.

परिषदेचे उद्घाटन निंबकर कृषी संशोधन संस्थेचे संचालक पद्मश्री डॉ. अनिल राजवंशी यांच्या हस्ते झाले. या परिषदेसाठी अमेरिका, तुर्की, नेपाळ आणि बांगलादेशातील संशोधकांनी सहभाग नोंदविला. परिषदेसाठी जगभरातून एकूण १५१७ शोधनिबंध प्राप्त झाले आणि त्यापैकी निवडक १९३ शोधनिबंध सादर झाले. डॉ. अनिल राजवंशी यांनी ग्रामीण आणि शाश्वत विकासासाठी एआय या विषयावर आपले विचार मांडले.

आयईईई एज्युकेशन सोसायटी सिंगापूरचे अध्यक्ष डॉ. दीपक वायकर, जपानच्या चिबा युनिव्हर्सिटी ऑफ कॉमर्सचे प्रेसिडेंट प्रा. टाकाको हाशीमोटो यांनीही मार्गदर्शन केले. एआयएसएसएम सोसायटीचे मानद सहसचिव सुरेश शिंदे, खजिनदार अजय पाटील आणि संस्थेचे प्राचार्य डॉ. पी. बी. माने यांनी परिषदेच्या आयोजनाचा हेतू स्पष्ट केला. मानद सचिव मालोजीराजे छत्रपती यांच्या मार्गदर्शनाने परिषद यशस्वीपणे पार पडली.
