History-The event “ALACRITY” was started in the year 2010 by AISSMS’s Institute of Information Technology. ‘ALACRITY’ which literally means enthusiasm is culmination of cultural, technical, sports and social events Since its inception the event has gained tremendous success. For the past twelve years this college fest has been one of the most awaited intercollegiate festivals. Alacrity has been receiving participation from Institutes throughout the country including various Technical and Non -Technical Institutes. Alacrity is a combination of Technical, Cultural, Sports and Social Competitions. Alacrity hosts more than 60 individual events. The college fest is rated in the Top 10 events in Pune by Campus Times, Pune. ALACRITY is an event of the students, for students and by the students. ALACRITY has its very charismatic legacy and is rated in top 10 events of the city.. Creativity beyond the bonds of Rigidity!

Alacrity 2025- The inaugural and valedictory ceremony of Alacrity, every year is a

must watch for audience. Prominent personalities from various field are invited as guests. This year Alacrity was inaugurated. The night events conducted were very glorified and attract a huge number of audiences. These events provide a platform for different talents, potentials, ideas and sponsors to gain limelight. This year the team is hosted night events such as: Battle of Bands, Burst the Beast, Stand up comedy and many more and the whole extravaganza concluded with the valedictory ceremony. A special mention to also the decorations being prepared by the students which have taken the ALACRITY 2025 to next level. The best part about the décor of ALACRITY is that everything has been prepared from scrap material without any special funding. Besides this it has been a custom to ring in the celebration of Chhatrapati Shivaji Maharaj Maharaj’s birth anniversary with the jubilant Dhol Pathak organised by the students themselves by our very own group Ashwamedh. In order to create a buzz in the city regarding ALACRITY, various pre-events were also conducted. The students also performed Flash Mob in different malls to create a hype for the event. Similarly, EPL: Engineer’s Premeire League was conducted under sports where more than 20 teams of various colleges across the city took part. With same motive another, pre-ALACRITY event i.e. Techathon was conducted under the technical domain. It was a 24-hours event held on 22nd and 23rd Feb 2025. Definitely the planning has been top notch and the execution of pre-ALACRITY lead it to a great success. The pre-events have drawn a huge number of visitors to the campus and the team is waiting for more. We tried our best to elevate ALACRITY 2025 to the next level continuing our journey towards excellence!

Dear Students,

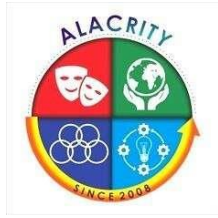

As Alacrity 2025 comes to a grand conclusion, I extend my heartfelt gratitude to everyone who contributed to making this event a phenomenal success. It has been truly inspiring to witness the dedication, enthusiasm, and teamwork that have brought this festival to life.

A special appreciation goes to the organizing committee and volunteers, whose relentless efforts ensured the seamless execution of every event. Your commitment and hard work behind the scenes played a pivotal role in making this festival a memorable experience. To all the participants, your passion, energy, and competitive spirit added vibrancy to the celebrations and made Alacrity 2025 truly remarkable.

I also express my sincere appreciation to our faculty members: Dr. Vineeta Philip, Prof. D. A. Itole and Dr. Deepali Morey for their unwavering guidance and encouragement. Your support helped our students navigate challenges and contributed immensely to the success of this event.

To all the students, alumni, and attendees who joined us in celebrating this grand occasion, thank you for your enthusiasm and participation. Alacrity 2025 has once again showcased the unity, creativity, and spirit of AISSMS IOIT, and I am confident that this momentum will continue in the years ahead.

This year's Alacrity holds even greater significance as we celebrate the Silver Jubilee of AISSMS IOIT. Over the past 25 years, our institution has been a center of knowledge, innovation, and excellence. This festival is a reflection of our commitment to holistic development, blending sports, culture, and technical brilliance into a platform that nurtures talent and fosters lifelong memories.

As the cultural in-charge, I'm thrilled to cogitate on Alacrity 2025, our national fest. College festivals are indeed vital for student well-being, offering a break from academic pressures. This year's three-day event from 19th February 2025 to 21st February 2025 was a diverse celebration of college life, with activities for everyone. The cultural events included: Group dance, solo and duet dance, solo singing, fashion show, Pune's got talent, reel competition, Quiz's (film, rapid fire, tourism) rap battle and art exhibition. Our annual social gathering featured a popular masquerade theme, moving beyond typical festivities. The theme was unveiled during the gathering itself. Day one honored our past principals and long-serving staff, concluding our Silver Jubilee celebrations. Evenings were vibrant, with group dance performances ('Burst the Beast') on day one and a lively musical night and masquerade theme fashion show on day two. The atmosphere was electrifying, with students enjoying the music and creating lasting memories. On day 3, each of the seven departments and the NSS team presented skits with meaningful messages, attracting significant student participation. I believe these events foster a more inclusive and supportive community. In short, Alacrity 2025 was a tremendous success. It provided a space for students to showcase their abilities, build connections, and experience the excitement of college life.

Dear Students,

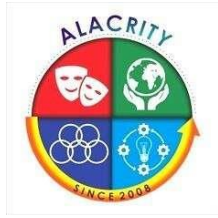

It is with immense pride and enthusiasm that I address you as the Technical In-Charge of Alacrity 2025. Over the years, Alacrity has evolved into a landmark event, embodying our institute's unwavering commitment to technical excellence.

Our journey began with the formation of the Technical Council, where each member played a crucial role in shaping the success of Alacrity 2025. Under my leadership, our technical team efficiently managed various committees across six zones, covering key aspects such as Media, Hospitality, Accounts, Documentation, Campaigning, and Event Management.

This year, we introduced several exciting technical events, including Tech Hunt, Robo Race, Robo Soccer, Rate Bull, Pitcher's Den, Circuitrix, Antariksh Quiz, Coding Competition, Quantum Run, Poster Presentation, and Ideathon—all of which received an enthusiastic response. A major highlight was the 24-hour National-Level Hackathon 2.0, which saw overwhelming participation. This intense competition was structured into three challenging rounds—Introduction, Intermediate, and Final—offering participants a unique platform to showcase their skills.

Among our standout events, Pitcher's Den and Startup fest deserves special mention. Pitcher's Den designed to cultivate entrepreneurial spirit and innovative thinking, this competition challenges teams to present their startup ideas or innovative projects to a panel of judges, mirroring real-world investor pitches. The event unfolds in multiple stages, including the Pitch Presentation, and Final Evaluation.

Organizing and participating in technical events offer invaluable benefits, such as leadership development, teamwork, innovation, creativity, and knowledge enhancement. These experiences

Alacrity 2025 is a testament to the indomitable spirit, creativity, and athleticism of our vibrant community.

In the realm of sports, we witnessed exhilarating competitions in football and cricket. These events not only showcased the exceptional talent and teamwork of our participants but also highlighted the values of discipline, perseverance, and sportsmanship that we ardently foster.

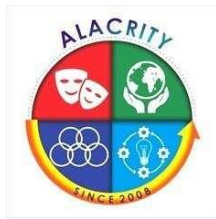

Our football tournament saw intense matches where strategy and skill were on full display, culminating in a thrilling finale that kept spectators on the edge of their seats. Similarly, the cricket matches were a blend of precision, power, and tactical brilliance, celebrating the essence of this beloved sport.

At the heart of Alacrity lies our commitment to inspire and encourage participation in sports. We believe that sports are a cornerstone for building character, fostering camaraderie, and promoting physical and mental well-being. The enthusiasm and dedication demonstrated by all participants this year reaffirm our mission to nurture and support our athletes in every possible way.

I extend my heartfelt gratitude to the organizing committee, volunteers, and sponsors whose relentless efforts and support were pivotal in making Alacrity 2024-25 a resounding success. Let us continue to strive for excellence and carry forward the spirit of Alacrity, inspiring future generations to embrace the thrill and joy of sports.

Thank you all for your unwavering commitment and participation. Together, we have created lasting memories and set a high benchmark for the years to come.

As the University Representative of the Student Council, I extend my heartfelt gratitude to all those who made Alacrity 2025 a resounding success. This annual celebration of talent, spirit, and unity — featuring a vibrant mix of sports, cultural, and technical events — showcased the remarkable energy and enthusiasm of our students. This year's event is even more special as we celebrate the Silver Jubilee of AISSMS IOIT. Over the past 25 years, our institution has been a beacon of knowledge, innovation, and community. Alacrity 2025 has truly reflected the essence of what makes AISSMS IOIT unique — a commitment to excellence, a passion for growth, and a shared vision for the future. A huge thank you to all the participants, volunteers, faculty, and staff who contributed their time, energy, and support. Together, we continue to build a legacy that will inspire future generations. Here's to many more successful years of Alacrity and to the bright future of AISSMS IOIT! With immense pride and gratitude,

With immense gratitude and a heart full of appreciation, I take this moment to express my sincere thanks to every individual who has been a part of this beautiful journey. As the General Secretary of our esteemed college, it has been a privilege to witness the unwavering support, dedication, and camaraderie that make our institution a family rather than just a place of learning. To my dear friends and fellow students, you are the soul of this college. Your enthusiasm, resilience, and unity inspire me every day. From classrooms to cultural fests, from late-night discussions to shared dreams, we have built memories that will last a lifetime. Thank you for being the backbone of every initiative, for your unwavering support, and for making this journey so meaningful. To our respected teaching faculty, words fall short in expressing our gratitude. Your wisdom, patience, and dedication shape not just our careers but our character as well. You are our guiding lights, and your belief in us fuels our aspirations. Thank you for your relentless efforts and for being more than just educators—mentors who nurture, encourage, and inspire. To our non-teaching staff, you are the silent pillars who ensure that every day runs smoothly. From administrative tasks to campus maintenance, your hard work often goes unnoticed but never unappreciated. Thank you for your kindness, diligence, and unwavering commitment to making our college a comfortable and efficient place for all. Lastly, a heartfelt thank you to the college administration and management for providing us with opportunities to learn, grow, and excel. Your vision and leadership create an environment where students can dream and achieve beyond limits. This journey would not have been the same without each one of you. Every moment spent here has been a lesson, every challenge has been an opportunity, and every friendship formed is a treasure. With all my heart, thank you!

Dear AISSMS IOIT family,

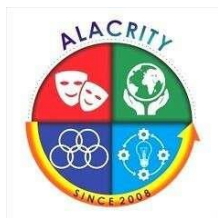

As Alacrity 2025 comes to a close, I am filled with immense gratitude for everyone who contributed to making this event a grand success. Being a part of this journey as the Lady Representative has been an honor, and I truly appreciate the dedication, enthusiasm, and teamwork that made this festival unforgettable. A huge thank you to the organizing committee and volunteers who worked tirelessly behind the scenes to bring Alacrity to life. Your hard work and commitment ensured that every event was executed flawlessly. To all the participants, your passion, energy, and sportsmanship created an electrifying atmosphere and made this festival truly special.

I would also like to extend my appreciation to our faculty members and mentors for their constant support and guidance. Your encouragement helped us navigate every challenge and ensured the success of this event.

To everyone who attended, cheered, and celebrated with us, thank you for making Alacrity 2025 a memorable experience. This festival was a reflection of our unity, creativity, and shared spirit, and I hope we continue to carry this enthusiasm forward.

Thank you once again for making Alacrity 2025 such an incredible success. Let's keep this spirit alive and look forward to many more celebrations!

"Alacrity 2025: A Celebration of Excellence" truly embodies the collective energy, dedication, and unwavering commitment of our student community. It tells the story of how an idea transformed into a reality, showcasing the creativity, passion, and relentless effort that made Alacrity a phenomenal success.

In our roles as Cultural and Joint Cultural Secretaries, we understood the immense responsibility we carried. Cultural events are the heart and soul of ALACRITY, and they have the power to uplift or dampen the spirit of the entire festival. This time, however, these events undeniably played a pivotal role in making ALACRITY an unforgettable experience. With this year marking the Silver Jubilee of our institute, we seized the opportunity to contribute to something truly special, which in turn elevated the quality of the events, ensuring that everyone involved walked away with lasting memories.

From the very beginning, we dedicated ourselves to curating 12 unforgettable cultural events. One of the proudest moments was creating the official ALACRITY theme song, which filled us with immense joy. We'll also always remember how our dance-offs, singing showdowns, and the captivating performance by Prem Kotwal took the entire institute by storm, all while being beautifully captured by our brilliant media team. To add even more excitement, we invited influencer Manish Kharge to join us, further elevating the festival's vibrancy. And as the cherry on top, we hosted a lucky draw with twenty-five tickets to the Pune Comic-con Festival!

Throughout this journey, we were fortunate to have the steady guidance of Vineeta Philip Ma'am, Morey Ma'am, and Itole Sir, along with the unwavering support of the dedicated staff and non-staff members who stood by us. We are deeply grateful to everyone who guided us through challenging moments and helped us stay on course.

Equally, the success of ALACRITY wouldn't have been possible without our "Titans of Ten"—the Core team, event heads, volunteers, and departmental coordinators. Your relentless dedication, selflessness, and commitment to excellence is what truly strengthened our team. You gave your all, going beyond what was expected, and your effort was instrumental in making ALACRITY the resounding success it turned out to be.

As we, Swarangi, Chirag, and Omkar, reflect on this experience, we are filled with joy, pride, and deep satisfaction. Our hearts are full of memories and lessons that will guide us in all our future endeavours. This journey has given us new insights into teamwork, leadership, and perseverance, and we will carry these with us for a lifetime.

Every moment shared with those who contributed to this success is etched in our hearts. We are forever grateful for the support, camaraderie, and teamwork that made this journey so unforgettable. In the words of Majruh Sultanpuri Sahab,

Technical Team:

Alacrity 2025: A Celebration of Excellence;

ALACRITY 2025 stands as a testament to the dedication, teamwork, and unwavering passion of our student community. It reflects how a simple idea evolved into an extraordinary reality, showcasing the innovation, perseverance, and commitment that made this edition truly remarkable. As the Technical Secretary and Joint Technical Secretaries, we understood the immense responsibility on our shoulders. Technical events are the foundation of ALACRITY, igniting curiosity and fostering a spirit of innovation. With this year marking our institute's Silver Jubilee, we saw a unique opportunity to contribute to something extraordinary. We set our sights high, ensuring that every event left a lasting impression on participants and organizers alike. From the very beginning, we were determined to create an unforgettable technical experience with total 11 events and 24 hour National Level Hackathon. Seeing participants engage in intense competitions that lasted until 2 AM was one of the most rewarding moments of our journey. The energy, enthusiasm, and drive from both the organizers and the participants were unmatched.

Beyond ALACRITY, our team also played a crucial role in executing Techathon 2025, making both events a grand success. None of this would have been possible without the constant guidance and encouragement of our faculty coordinator, Mr. Itole Sir and Vineeta Philip Ma'am, Morey Ma'am. His support helped us navigate every challenge, ensuring a smooth and impactful execution of all our events. Most importantly, ALACRITY's technical success was fueled by our Core Team, event heads, volunteers, and departmental coordinators. Your unwavering dedication, tireless efforts, and commitment to excellence made all the difference. You all went beyond expectations, and your contributions were instrumental in making this event a phenomenal success. As we, Parth, Sahil, and Prasad, look back on this incredible journey, we feel immense gratitude and pride. The lessons we've learned about leadership, teamwork, and resilience will stay with us for a lifetime. Thank you to everyone who made this journey so special—here's to many more milestones ahead!

1. Shiv Jayanti

Name of the event: Shiv Jayanti

Organized by: NSS

Venue: AISSMS IOIT

Total Number of participant: 75

Objective: To make the students Learn the management, Leadership, courage, entrepreneurship skills concepts through Chatrapati Shivaji Maharaj Life Stories.

Details:

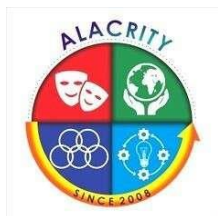

All India Shri Shivaji Memorial Society's Institute of Information Technology, Pune has organized Shiv Jayanti celebration on 19th February 2025. The program was started in the presence of Chhatrapati Maloji Raje, Principal Dr. P.B. Mane. Honoring a Great Leader: Shivaji Maharaj was a brave and visionary leader who fought against the Mughal Empire and established the Maratha Empire in western India. He is revered by many as a symbol of courage, patriotism, and National pride. Celebrating his Jayanti is a way of paying tribute to his contributions to Indian history and culture. He was also known for his respect for other religions and his efforts to promote cultural harmony. Celebrating his Jayanti can help to promote unity and respect among different communities. Shivaji Maharaj's life and legacy continue to inspire people, especially the youth, to pursue their goals with determination and courage. Celebrating his Jayanti is an opportunity for the people of Maharashtra to come together and celebrate their shared heritage and pride. Principal.Dr.P. B.Mane motivated and guided for this activity and conducted by NSS program officer Mr.Sachin Kokane and Mr.Gadadhe Sir.

Outcome of the program: Students learned life lesson, organisation skills of Shri Chhatrapati Shivaji Maharaj.

Brief description of event: The Bit by Bit coding competition was successfully conducted on 20th February 2025, at 11:30 AM in Classroom 112. The competition, hosted on HackerRank, challenged participants with algorithmic problems focused on Data Structures and Algorithms (DSA). Participants demonstrated their coding proficiency by solving a series of problems within a specified timeframe. The event witnessed enthusiastic participation, fostering problem-solving skills and competitive programming expertise among students.

The top performers were awarded Certificates, Trophies and cash prizes with ₹3000 for the 1st place winner and ₹2000 for the runner-up.

The event was successfully managed by the coordinators, ensuring a seamless experience for all participants. Overall, Bit by Bit provided a platform for students to enhance their coding abilities, engage in healthy competition, and gain valuable experience in algorithmic problem-solving.

The winners of the competition are as follows:

Rank	Name of Participant	College
1	Rishi Kumar Singh	Army Institute of Technology (AIT), Pune

6. Brief description of event:

A space-themed quiz competition is an engaging event that tests participants' knowledge of astronomy, space exploration, celestial bodies, and scientific discoveries. It includes multiple-choice questions, rapid-fire rounds, and problem-solving challenges related to space science and technology. The quiz can cover topics like planets, galaxies, astronauts, space missions, and recent advancements in space research. It encourages learning, critical thinking, and awareness of the universe. Such competitions are ideal for students, space enthusiasts, and aspiring scientists, fostering curiosity about space exploration and inspiring future innovations.
