INSATS Report A.Y. 2024-25

INSATS

“INAUGURATION CEREMONY, 2024-25”

The inauguration ceremony of INSTRON Social took place on September 25th, 2024. We had the honour of inviting our esteemed Chief Guest, Mr. Kundan Lokhande as well as the Heads of Departments (HODs) and teachers from all departments of our college.

First, we held the lamp lighting ceremony, followed by the inauguration of the official INSATS Committee board, conducted by our Principal and HODs.

After the board's inauguration, we proceeded to class 704 for additional events. The event was hosted by Bhushan Choudhary (BE) along with Aarya Kulkarni (TE), who introduced the events. Mr. Bhushan Chaudhari, President of the INSATS Committee for 2024-25, introduced himself and the new committee to everyone through an animation video created by the Media Team. Following the team introduction, **Chief Guest** provided advice on the proper functioning of a committee, elucidated the vision and

mission of our college, and emphasized the importance of events such as ALACRITY and departmental events.

Department Theme: AUTOMATION AND ROBOTICS

For the inauguration ceremony, over 100 people were in attendance. The event was successfully conducted with full support from both the students and the INSATS team. Additionally, a Robot display served as the main attraction of the event, complementing our theme, "Automation and Robotics." This truly showcased that Instrumentation is not merely confined to sensors; it encompasses much more.

GLIMPSES:

INSTRON 2023-24

"Instron" is the Departmental event of Instrumentation Engineering at All India Shri Shivaji Memorials Society's Institute of Information Technology, Pune. It is organized under INSATS (Instrumentation Students Association for Technical Society) of the Instrumentation Department.

"Instron" provides an excellent platform for students in Second Year (SE), Third Year (TE), and Fourth Year (BE) to showcase their talents in various fields, including Technical, Cultural, and Sports. It serves as a forum where students can demonstrate their skills and abilities, fostering an environment that encourages growth and excellence across multiple domains.

Moreover, "Instron" plays a pivotal role as a collaborative forum where students can engage in healthy competition, share innovative ideas, and build a sense of friendship. The event, with its emphasis on skills and abilities, cultivates an environment that not only encourages personal growth but also strives for excellence across various disciplines.

In essence, "Instron" goes beyond being just an event; it becomes a vibrant celebration of the talents and capabilities of the Instrumentation Engineering students, contributing significantly to their holistic development and fostering a spirit of achievement and collaboration within the department.
