“INAUGURATION CEREMONY 2025-26”

The inauguration ceremony of INSTRON Social took place on August 29, 2025. We had the honor of inviting our esteemed Chief Guest, Dr. Pradeep Mane as well as the Head Of Departments (HODs) and teachers from all the departments of our Institute.

The ceremony began with the traditional lamp-lighting ritual, symbolizing the dispelling of darkness and the spread of knowledge. This was followed by the inauguration of the official INSATS Committee Board, conducted by our Principal and HODs.

After the inauguration, the event continued in Class 704 with a series of engaging activities. The session was hosted by Mr. Aditya Agale (President) and Ms. Shreya Kad (Year Head), who warmly introduced the proceedings.

Mr. Aditya Agale, President of the INSATS Committee for the academic year 2025–26, introduced himself and the newly formed committee. The introduction was complemented by an animation video creatively prepared by the Documentation Team, providing the audience with a captivating overview of the committee’s vision and upcoming initiatives.

Following the team’s introduction, our principal sir delivered an inspiring address, motivating the students to strive for excellence and uphold the values of teamwork, innovation, and leadership.

The event concluded successfully, marking a memorable beginning to another productive and eventful year for the INSATS Committee.

Department Theme: DIGITAL INDIA

For the inauguration ceremony, more than 100 participants were in attendance. The event was conducted successfully with the enthusiastic support of both the students and the INSATS team.

The showcase emphasized how the field of Instrumentation extends far beyond sensors, embracing automation, robotics, and smart digital technologies that contribute to the nation's vision of a digitally empowered future.

The theme “Digital India” perfectly aligns with the vision and essence of Instrumentation Engineering, highlighting the integration of intelligent systems, automation, and real-time data technologies that drive the nation's digital transformation. Instrumentation engineers play a crucial role in designing and implementing smart measurement and control systems that form the backbone of Industry 4.0, smart manufacturing, and digital infrastructure. Through innovations in sensors, IoT-based monitoring, and process automation, the department contributes to the mission of building a digitally empowered society and a knowledge-based economy. The theme emphasizes how technology, when guided by precision and intelligence, can power a more connected, efficient, and sustainable India.

INSTRON 2025-2026

“Instron” is the annual departmental event of the Instrumentation Engineering Department at All India Shri Shivaji Memorial Society’s Institute of Information Technology, Pune. It is organized under INSATS (Instrumentation Students Association for Technical Society) of the department.

Instron provides an excellent platform for students from Second Year (SY), Third Year (TY), and Fourth Year (BTech) to showcase their talents across diverse domains such as Technical, Cultural, and Sports. It serves as a vibrant forum where students can demonstrate their skills and creativity, fostering an environment that encourages both growth and excellence across multiple disciplines.

Moreover, Instron plays a pivotal role as a collaborative forum where students engage in healthy competition, exchange innovative ideas, and build lasting bonds of friendship. The event, with its emphasis on skill development and teamwork, nurtures an atmosphere that not only inspires personal and professional growth but also promotes academic and creative excellence.

In essence, Instron goes far beyond being just an event- it is a celebration of talent, innovation, and achievement. It reflects the holistic development of Instrumentation Engineering students and reinforces a spirit of enthusiasm, collaboration, and pride within the department.

Date: 29/08/2025

Event & Activity Name: National Tech Treasure Hunt

No. of Participant: 05 Teams

Students Participated: 22 (SY- 8, TY-8, BTech- 6)

Name of Student coordinators: 1. Ms. Gauri Chakne

2. Mr. Sunny Bhavsar

3. Shantanu Khalangre

Activity Description: The Treasure Hunt Event was designed to challenge not only speed and observation but also knowledge and technical skills. The event began with an engaging General Knowledge Quiz, testing participants' awareness and giving them the right push to kick off their adventure. Once the quiz was complete, the hunt for clues began across the campus, with each location holding a cleverly crafted riddle.

The first clue led to the Basketball Court, described through lines about aim and arcs. Here, teams realized that the game was not about marks but precision—mirroring how engineers sharpen their skills through practice.

Next, the clue pointed to the Plane Structure, “built for the clouds but rooted to ground,” where participants searched beneath its shadow. From there, they moved toward the Big Tree at the entrance, a landmark with security nearby, symbolizing shelter and safety.

The hunt then took them to the Xerox Centre, where a puzzle about inputs and outputs directed teams to the buzzing hub of activity. At this stage, participants

Event & Activity Name: National Level Quiz TechIQ Arena

No. of Participants: 38

Name of Student coordinators: 1. Mr. Sahil Mhaske

2. Ms. Anushka Shirsat

Activity Description: The quiz was conducted using Menti meter, allowing participants to join easily via a code/QR and attempt questions live on their phones.

A mix of technical questions (related to engineering/IT concepts) and general knowledge (GK).

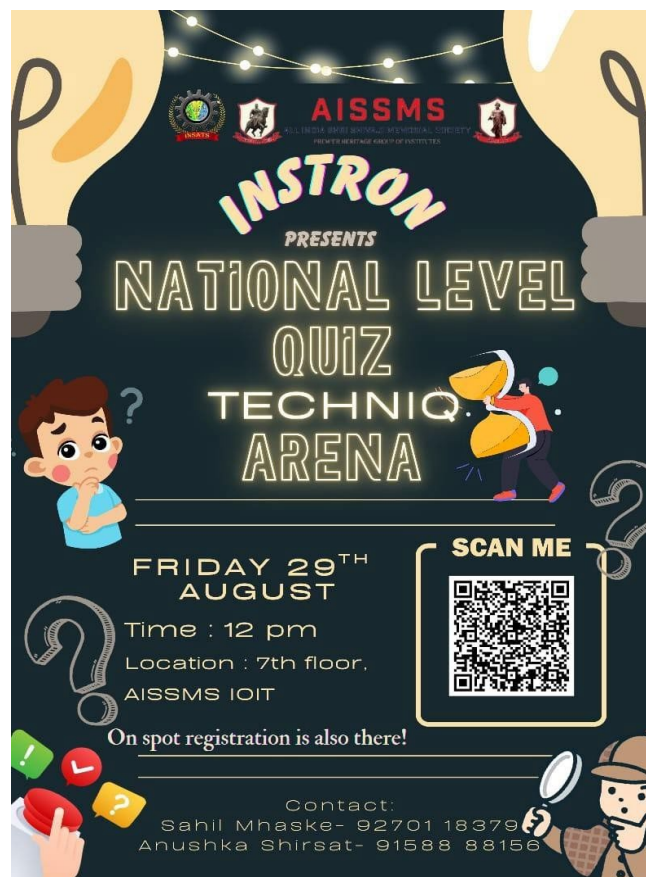

Multiple-choice and fast-response style questions kept it engaging.

Time limits for each question ensured fairness.

At the end of the quiz, the leaderboard declared the winner and runner-up instantly.

The event was smooth, interactive, and fun, giving participants both a technical refresher and a general knowledge boost while keeping competition healthy.

Event & Activity Name: National Drawing Competition

No. of Participants: 40 (SY-19, TY-21)

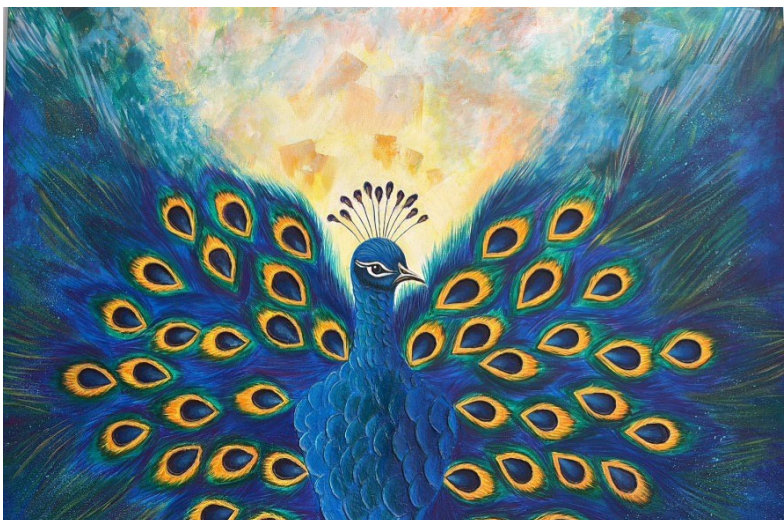

Name of Student coordinators: 1. Mr. Atharva Jasoriya

2. Ms. Swamini Lasune

Activity Description: “Masterstrokes Madness” was a drawing competition organized to encourage creativity and artistic expression among participants. The event was conducted virtually, where participants were required to create a drawing on a theme of their choice and submit it by uploading a photo on google form along with the drawing, participants also had to upload a selfie holding their artwork to ensure authenticity.

The online format made the event easily accessible and allowed participants to showcase their talent from the comfort of their homes.

No. of Participants: 30 (TY-23, BTech-7)

Name of Student coordinators: 1. Mr. Pradyumna Sankpal

2. Mr. Kunal Patil

Activity Description: The INSATS Committee successfully organized a thrilling 3 Vs 3 Half-Court Basketball Tournament on 29th August 2025, which witnessed enthusiastic participation from students showcasing high energy, teamwork, and competitive spirit on the court. The tournament followed a knockout format with fast-paced half-court games that kept the audience engaged throughout. Each team displayed remarkable coordination, agility, and strategy, reflecting both skill and sportsmanship. The event not only encouraged physical fitness and teamwork but also fostered camaraderie among participants and spectators. The winners were felicitated with certificates and prizes, marking the culmination of an exciting day filled with sporting excellence.

Event & Activity Name: BGMI DUO TOURNAMENT

No. of Participant Teams: 24 Teams

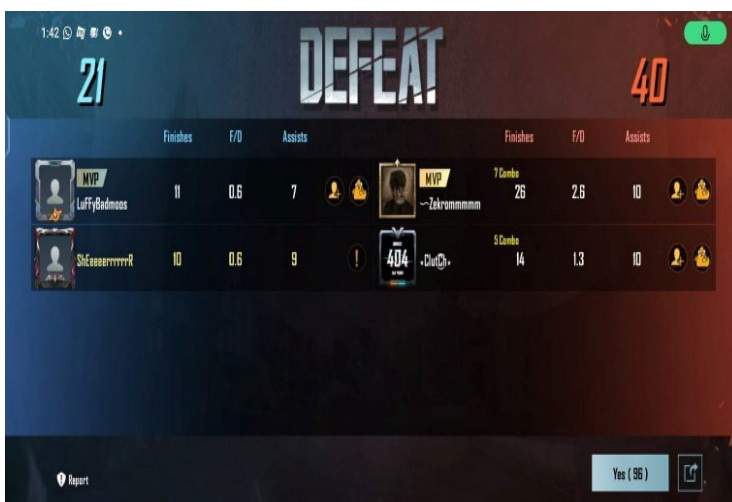

Total Students: 48 (SY-18, TY-20, BTech-10)

Name of Student coordinators: 1. Mr. Sunny Bhavsar

2. Mr. Himanshu Pawar

Activity Description: The recently held BGMI Duo Tournament brought together passionate gamers for an action-packed series of matches that tested strategy, coordination, and reflexes through a structured flow ensuring engagement and fair play. It began with a classic match on Erangel, BGMI's iconic battleground known for its balanced terrain and strategic gameplay, followed by a fast-paced match on Nusa, where quick reflexes and aggressive pushes were key. This variation allowed teams to showcase strengths in both survival-based and high-intensity combat. The format then shifted to thrilling Team Death Matches (TDMs), where the top-ranked teams from Erangel and Nusa faced off, leading to the Grand TDM Showdown that crowned the ultimate champions. Blending the excitement of survival modes with the adrenaline of TDMs, the tournament not only highlighted skill and synergy but also fostered community spirit, fair play, and the growing esports culture around BGMI.

Event & Activity Name: FREE FIRE TOURNAMENT

No. of Participant Teams: 26

Total students: 104 (SY-30, TY-48, BTech-26)

Name of Student coordinator: Mr. Harsh Gaikwad

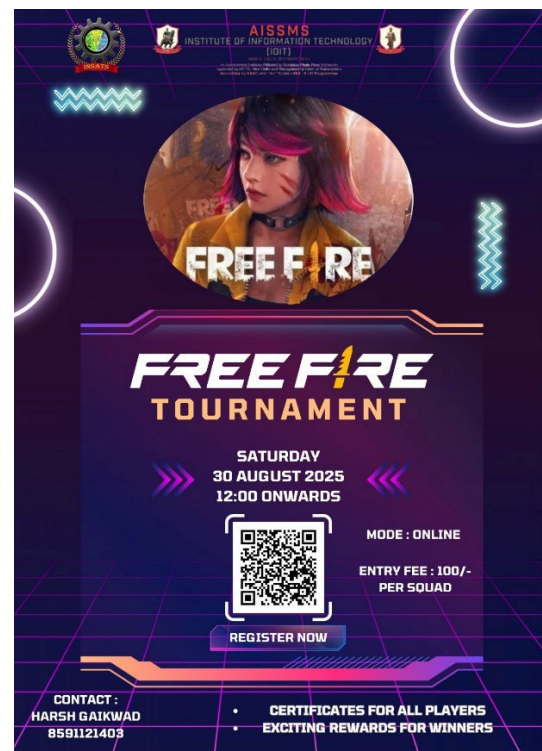

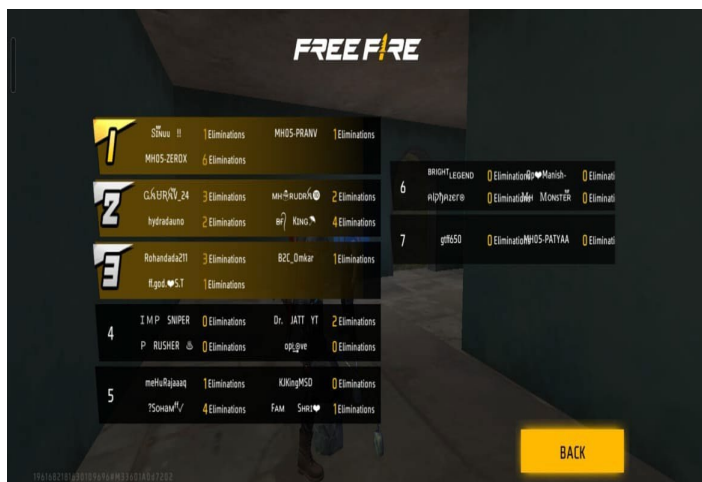

Activity Description:

Map Played: Bermuda

Format: One Classic Match with all squads competing for survival and dominance.

Outcome: The squad that combined smart rotations, sharp gunplay, and perfect teamwork emerged as the champion. Builds fast decision-making in high-pressure moments. Strengthens team coordination through squad-based strategies. Sharpens reflexes and aiming skills. Encourages a spirit of competition and fair play. The tournament was simple yet thrilling, proving that even a **single classic match on Bermuda** can deliver non-stop action and an unforgettable experience.
