History-The event “ALACRITY” was started in the year 2010 by AISSMS’s Institute of Information Technology. ‘ALACRITY’ which literally means enthusiasm is the culmination of cultural, technical, sports and social events. Since its inception the event has gained tremendous success.

For the past eleven years this college fest has been one of the most awaited intercollegiate festivals. Alacrity has been receiving participation from Institutes throughout the country including various Technical and Non -Technical Institutes. Alacrity is a combination of Technical, Cultural, Sports and Social Competitions. Alacrity hosts more than 60 individual events. The college fest is rated in the Top 10 events in Pune by Campus Times, Pune. ALACRITY is an event of the students, for students and by the students. ALACRITY has its very charismatic legacy and is rated in top 10 events of the city.

Upgradation-Alacrity has been upgrading each year.

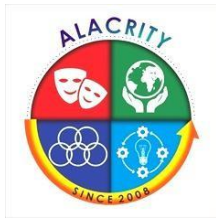

This year in ALACRITY, to promote digital India mission, the prize money was also transferred to the winners through digital platforms.

We were lucky to have 19th February as one of our event days and we took it as an honour to celebrate Shivjayanti in this fest. Shivjayanti Celebration Includes Dhol Pathak Vandana, Murti Pujan, etc.

Alacrity 2026- The inaugural and valedictory ceremony of Alacrity, every

year is a must watch for the audience. Prominent personalities from various fields are invited as guests.

The night events conducted were very glorified and attracted a huge number of

audiences. These events provide a platform for different talents, potentials, ideas

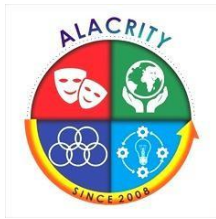

and sponsors to gain limelight. This year the team hosted night events such as: Battle of Bands, Burst the Beast, and many more.

A special mention to also the decorations being prepared by the students which have taken the ALACRITY 2026 to next level. The best part about the décor of ALACRITY is that everything has been prepared from scrap material without any special funding. Besides this it has been a custom to ring in the celebration of Chhatrapati Shivaji Maharaj Maharaj's birth anniversary with the jubilant Dhol Pathak organized by the students themselves by our very own group Ashwamedh.

In order to create a buzz in the city regarding ALACRITY, various pre-events were also conducted. The students also performed Flash Mob in different malls to create a hype for the event. Similarly, EPL: Engineer's Premiere League was conducted under sports where more than 20 teams of various colleges across the city took part. With same motive another, post-ALACRITY event i.e. Techathon was conducted under the technical domain. It was a 24-hours event held on 21th and 22th Feb 2026.

Definitely the planning has been top notch and the execution of pre-ALACRITY leads it to a great success. The pre-events have drawn a huge number of visitors to the campus and the team is waiting for more. We tried our best to elevate ALACRITY 2026 to the next level continuing our journey towards excellence

Dear Students,

The ALACRITY journey for the last decade has witnessed increasing zeal and enthusiasm amongst the youth all over Bharat (India) and it's now the most awaited event for the youth to showcase their talent.

For Alacrity 2026, about 26 different events were conducted under sports, cultural and technical sections. The participation count was enormous which itself proves that it is reaching the masses in different parts of our country. The purpose of conducting such events is to improve the self-learning skills of students and to promote holistic development and I must say we are successfully doing it.

The national tech-fest Alacrity 2026 is sure to wind wonderful memories that will be cherished in future and the good work by all student council members and ALACRITY team members is appreciated. My best wishes to the entire student fraternity.

Dr. P. B. Mane

As the Dean Student Affairs of our esteemed college, it is with immense pride that I present my thoughts on our national fest, Alacrity 2026. College fests serve as a perfect platform for students to unwind, showcase their talents, and celebrate the vibrant spirit of campus life amidst a demanding academic schedule.

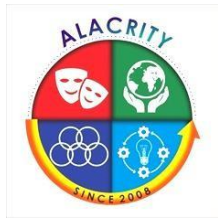

Spread over three exhilarating days, Alacrity 2026 brought together a diverse range of events and activities that catered to varied interests, making it a wholesome celebration of creativity, energy, and togetherness. The focus of the national fest & annual social gathering remained on inclusivity, participation, and the pure joy of expression.

The Annual Social Gathering was a grand success, witnessing enthusiastic participation from students across all departments. Idiom-based skits were presented by each department, showcasing creativity, teamwork, and thoughtful interpretation. Along with this, dynamic group dance performances, electrifying Battle of Bands reflected the immense talent and passion of our students. The energy throughout the fest was truly infectious, with each performance adding to the unforgettable experience.

Alacrity 2026 not only provided a stage for artistic expression but also strengthened the sense of community and belonging among students. Such initiatives play a vital role in nurturing confidence, teamwork, and creativity, contributing to the holistic development of every individual involved.

I firmly believe that the memories created and the bonds formed during this fest will be cherished for years to come, continuing to inspire a vibrant and supportive college culture.

Dr. Vineeta Philip
Dean Student Affairs & Cultural-in-charge

As the Technical In-Charge of our esteemed institute, it gives me immense pleasure to present my thoughts on Alacrity 2026. This year continues to build upon the strong legacy of innovation and excellence established by the All India Shivaji Memorial Society's Institute of Information Technology (AISSMS IOIT), Pune.

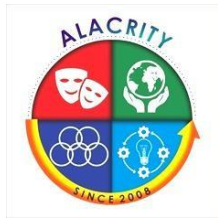

Alacrity has consistently evolved as a dynamic platform that nurtures technical expertise, creativity, and problem-solving skills among students

One of the major highlights of this year's fest was the 24-hour Hackathon, called Techathon 2026 which received an overwhelming response. Structured across multiple stages—Introduction, Intermediate, and Final rounds—the hackathon challenged participants to think critically, collaborate effectively, and develop innovative solutions under time constraints, reflecting real-world problem-solving scenarios.

Among the many standout events, Pitcher's Den deserves special mention. This event was designed to ignite entrepreneurial thinking and innovation, where participants presented their start-up ideas and projects before a panel of judges, simulating real-world investor pitches.

I am confident that Alacrity 2026 has once again succeeded in fostering a culture of innovation, collaboration, and excellence, leaving a lasting impact on all participants.

Mr. D. A. Itole
Technical In-Charge

Alacrity 2026 stands as a testament to the indomitable spirit, enthusiasm, and athletic excellence of our vibrant student community.

In the realm of sports, this year witnessed exhilarating competitions in football and cricket, bringing together participants who displayed exceptional talent, teamwork, and determination. The football tournament featured intense matches filled with strategic gameplay and remarkable skills, culminating in a thrilling finale that kept spectators engaged till the very end. Likewise, the cricket matches showcased a perfect blend of precision, power, and tactical brilliance, truly celebrating the spirit of this beloved sport.

At the heart of Alacrity lies our commitment to promote sports as an integral part of student development. We strongly believe that sports play a crucial role in building character and enhancing both physical and mental well-being. The passion and dedication demonstrated by all participants this year reaffirm our vision of nurturing and supporting athletic talent.

I extend my sincere gratitude to the organizing committee, volunteers, and supporters whose relentless efforts contributed to the grand success of Alacrity 2026. Your commitment and teamwork have been instrumental in creating a memorable sporting experience. Let us continue to uphold the spirit of sportsmanship and strive for excellence, inspiring future generations to actively participate and excel in sports.

Dr. Deepali Morey
Physical Director

Alacrity 2026 has been a remarkable journey of vision, dedication and collective effort. As the University Representative of AISSMS IOIT, I feel immense pride in witnessing the successful completion of this grand celebration. This year's edition stood out not only for its scale but for its spirit. With a combined prize pool of ₹1,40,000 across Cultural, Technical and Sports domains, Alacrity provided a dynamic platform for creativity, innovation and sportsmanship.

One of the most special highlights of Alacrity 2026 was the participation of international students from Happy Science University, Japan. Their presence added a global dimension to our fest and symbolized the expanding reach and recognition of Alacrity beyond boundaries.

The success of this event was not merely measured by registrations or competitions, but by the unity, teamwork and leadership demonstrated throughout the journey. From planning to execution, every member of the organizing committee worked with commitment and passion.

I extend my heartfelt gratitude to our management, faculty members, sponsors and participants for their unwavering support. Alacrity 2026 will always remain a proud milestone and a cherished memory for our institute.

As the institute's annual grand event, Alacrity was organized and carried out with the intention of providing students with a venue to compete, work together, and occasionally panic under deadlines in a constructive way. Cultural, Sports and Technical events were combined in the fest to guarantee departmental participation while upholding a disciplined and organized flow.

From the standpoint of the general secretary, Alacrity was more about coordinating several teams that were all certain that their task was the most important than it was about focusing on a single committee. To prevent last-minute catastrophes, planning meetings, approvals, budget allocation, and inter-committee coordination were done beforehand. To guarantee that decisions were made promptly and documented, faculty coordinators and student teams-maintained communication. Strong outreach and consistent branding were guaranteed by publicity and media, and sponsorship and funding were managed transparently and responsibly.

Despite the typical "last-minute change" culture, busy schedules, and large crowds, events went off without a hitch thanks to effective volunteer coordination and crowd control. All things considered, Alacrity ended successfully, achieving its goals and getting favorable comments from both teachers and students. No classroom lecture can adequately prepare you for the practical lessons in crisis management, teamwork, and leadership that the fest provided.

As General Secretary, Alacrity 2026 remains with me as a quiet reference point, one shaped by responsibility, pressure, and decisions that mattered.

Alacrity 2026 was intense, exhausting, overwhelming and honestly, one of the most fulfilling experiences of my college life.

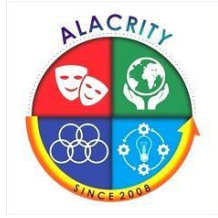

From 18th to 20th February, our campus transformed completely. Seeing more than 550 participants from colleges across Pune perform on our stage was surreal. What started as planning meetings and rough schedules slowly turned into packed auditoriums, cheering crowds, and unforgettable performances.

There were moments of stress. There were last-minute changes. There were days when things didn't go exactly as planned. But standing backstage during Burst the Beat – Group Dance event, hearing the crowd roar, watching the energy during Step Up Dance Competition, feeling the competitiveness of Rap Battle and Voice of Pune that made every bit of hustle worth it.

What made Alacrity truly special was not just the performances on stage, but the spirit behind them. Students from different colleges competing fiercely during events and then appreciating each other off stage reminded us why cultural platforms matter. They create connections, confidence, and memories that go far beyond trophies and certificates.

For us, this was never just about managing events. It was about building something meaningful. It was about coordination, trust, problem-solving under pressure, and ensuring that every participant felt valued. As Cultural Secretary, I, Era Mane, along with my Joint Cultural Secretaries, Harsh Surve and Devendra Chauke, experienced firsthand what true teamwork and responsibility look like at this scale.

We are deeply grateful to Dr. Vineeta Philip Ma'am for her constant support, guidance, and trust in us throughout this journey. Her encouragement gave us the confidence to execute something at this scale.

Special mention to my Joint Cultural Secretaries, Harsh Surve and Devendra Chauke, who stood strong through every discussion, every challenge, and every decision. This would not have been possible without faculty members, our volunteers, sponsors, participants, and every single person who believed in Alacrity.

Alacrity 2026 was not just an event. It was teamwork, pressure, growth, and pride all rolled into three unforgettable days.

Technical Team:

Serving as the Technical Secretary has been an incredible journey. Our annual technical fest, Alacrity, featured a variety of events including hackathons, coding competitions, and other technical competitions, offering invaluable learning and networking opportunities.

Pre-events included Robotrix, where robotics enthusiasts showcased their projects and Innovate You Techathon 2024 challenged students to develop real-world solutions, pushing the boundaries of innovation.

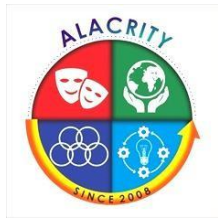

These achievements were made possible by the hard work of the student council and the enthusiastic participation of our peers. I am deeply grateful to our college for giving me this opportunity, which has helped me grow in all aspects - technically, personally, and professionally. I cherish the experiences and memories made in this vibrant community.

Sports Team:

Alacrity 2026 was intense, demanding, and truly unforgettable. While Alacrity stands as a grand celebration of technical brilliance and cultural creativity, it also carried a strong wave of sporting spirit that brought energy and enthusiasm across the campus.

From 18th to 20th February, the campus came alive with participation, passion, and performance. Alongside the cultural and technical events, our sports initiatives like the AFC – AISSMS Football Championship, Chess Competition, and the ECL – Engineers Cricket League added a competitive edge and excitement that resonated with every participant and spectator.

Organizing these events was not without its challenges. There were moments of pressure, last-minute adjustments, and constant coordination required behind the scenes. Yet, witnessing players give their best on the field, the intensity of matches, and the spirit of sportsmanship made every effort worthwhile.

What made this experience truly special was the unity and sportsmanship displayed by students. Competitors challenged each other fiercely during matches, yet shared mutual respect beyond them — reminding us that sports are not just about winning, but about character, discipline, and connection.

Under the guidance of our Physical Director, Dr. D. S. Morey, and the leadership of our Sports Secretary, Chaitanya Madavi, along with Joint Sports Secretaries, Prathmesh Pardhi and Venkatesh Mane, the sports committee worked with dedication to ensure smooth execution of all events. This journey taught us teamwork, responsibility, and the ability to perform under pressure.

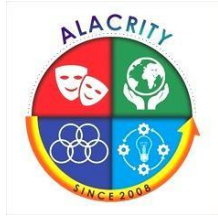

We extend our heartfelt gratitude to all faculty members, volunteers, participants, and supporters who contributed to the success of these events. Your energy and involvement made this journey truly memorable.

Alacrity 2026 was not just an event — it was a celebration of passion, perseverance, teamwork, and pride.

“Champions are made not just on the field, but through dedication, discipline, and determination.”

Looking forward to achieving even greater milestones ahead.

11. Rap Battle

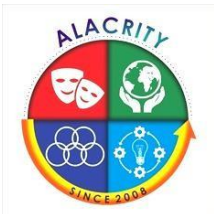

1. **Day & Date:** Friday, 20th Feb. 2026
2. **No. of Participants:** 7
3. **Name of faculty Coordinators:** Ms Jayshree Pasalkar & Dr. Dipali Mahendra Yewale
4. **Name of Student Coordinators:** Shaahid Shaikh & Ajit Kamble
5. **Brief description of event:**

Rap Battle is a competitive rap showcase designed to bring out raw talent, lyrical skill, and stage presence. Despite the name, this is not a face-off battle format but a structured rap competition where participants perform original or pre-written pieces in front of judges and a live audience. The focus is on flow, wordplay, delivery, confidence, creativity, and crowd engagement. Contestants will be evaluated based on technical ability as well as overall performance impact. This event aims to provide a platform for emerging artists to express themselves, tell stories, and demonstrate their command over rhythm and language. Each participant will be given a fixed time limit to perform, and judging will follow clear criteria to ensure fairness. Rap Battle encourages originality, strong writing, and powerful stage presence while maintaining a respectful and competitive environment.

The winners of the competition are as follows:

RANK	Name of Participant
1	Ashwin Thakur
2	Kshitij Jadhav

1. Robo Race

1. **Day&Date:** Wednesday, 18/02/2026
2. **No. of Participants/Team/Groups :** 107 Teams(Group of 1 or2)
3. **Name of faculty Coordinators:** Prof. R.N. Jadhav
Prof. R.S Pawar
4. **Name of Student Coordinators:** Sarthak Thipse
Soham Wankhade

5. Description of event:

The E&TC department successfully hosted the RoboRace competition on Wednesday, February 18, 2026. This event was a student-driven initiative, coordinated by Sarthak Thipse and Soham Wanzkhade, under the guidance of faculty coordinators Prof. R.N Jadhav and Prof. R.S Pawar. The competition challenged participants to design and control robots capable of navigating a track filled with obstacles and hurdles, testing their speed, precision, and control. The team whose bot completed the track in the minimum time was declared the winner. RoboRace provided an exciting platform for students to showcase their robotics, automation, and problem-solving skills, fostering technical excellence and teamwork within the department.

The winners of the competition are as follows:

RANK	Name of Participant	College
1	Kalki3	SKNCOE
2	TRS4	SKNCOE

GLIMPSES:

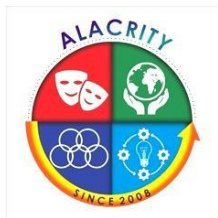

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

2. Robo Soccer

1. **Day & Date:** Wednesday 18/02/2026
2. **No. of Participants/Team/Groups:** 36 Teams
3. **Name of faculty Coordinators:** Mr. Pradeep Palkar
Ms. Pratiksha Sawant
4. **Name of Student Coordinators:** Siddhant More
Bhairavnath Borate
5. **Brief description of event:** The Instrumentation department and Robotics Club successfully organized the technical event on Wednesday, February 18, 2026, at Admin area. This event was a student-driven initiative coordinated by the student coordinators Bhairavnath Borate and Siddhant More under the guidance of the faculty coordinators. The competition provided a platform for students to demonstrate their technical knowledge, practical skills, and innovative ideas. Participants actively engaged in various rounds designed to test their analytical thinking, problem-solving ability, and teamwork. It contributed significantly to their overall technical and professional development. Event was conducted in 4 rounds and from 1st round the top 18 teams were selected for 2nd round. Similarly, from 2nd round top 9 teams got selected to 3rd round. From 3rd round 5 Teams were selected for the final 4th round.

The winners of the competition are as follows:

RANK	Name of Team	College
1	Aviote-O-Virtue 4	AISSMS COE
2	Aviote-O-Virtue 1	AISSMS COE

3. AR-VR

1. **Day & Date:**Friday 18/2/2026
2. **No. of Participants :**300
3. **Name of faculty Coordinators:** Prof. Ganesh Wani Sir
Prof. K.G Jagatap
4. **Name of Student Coordinators:** 1)Aditya Mote
2)Om Tupre
3)Mohan Jadav
5. **Description of event:** The IT Department successfully hosted the **AR–VR Innovation Showcase** on Wednesday, February 18, 2026. The event was a student-driven initiative coordinated by **Aditya Mote** ,Om Tupre and Mohan Jadav under the guidance of faculty coordinators : Prof. Wani and Prof. Ms. K.G Jagatap

The program provided an interactive platform for students to explore and demonstrate applications of Augmented Reality (AR) and Virtual Reality (VR) technologies. Participants showcased immersive projects, creative simulations, and real-world AR/VR solutions, highlighting their technical expertise, innovation, and problem-solving abilities.

The event fostered a spirit of creativity, collaboration, and healthy competition while encouraging students to engage with emerging technologies shaping the future of engineering and digital experiences.

The winners of the competition are as follows:

RANK	Name of Participant	College
1	Ganesh Pawar	AISSMS IOIT
2	Shravani khanekar	AISSMS COE

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

4. Tech Hunt

1. **Day & Date:** Wednesday 18/02/2026
2. **No. of Participants/Team/Groups :**31 Teams(Group of 1 to 4)
3. **Name of faculty Coordinators:** Prof.S.R. Kokane
Prof. Kumbhar mam
4. **Name of Student Coordinators:** Viraj Zalke
Tejas bagad
5. **Description of event:** The FY department successfully hosted the TECH HUNT EVENT on Wednesday, February 18, 2026, in room 305 and open space. This event was a student-driven initiative, coordinated by Viraj Zalke and Tejas Bagad, under the guidance of faculty coordinator Prof. Kokane sir and Prof. Kumbhar Mam.

The event was organized to enhance students' technical knowledge, problem-solving skills, and teamwork abilities. Participants solved a series of technical questions and clues to move to the next round. The event received an enthusiastic response, with active participation and healthy competition among teams. Overall, the event was engaging, informative, and successfully conducted.

The winners of the competition are as follows:

RANK	Name of Participant	College
1	Amit Bhujbal	AISSMS COE
2	Arya Tayde	AISSMS IOIT

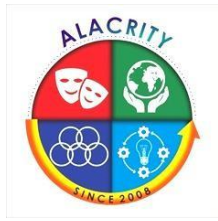

AISSMS **INSTITUTE OF INFORMATION TECHNOLOGY** **(IOIT)**

6. Poster Presentation

1. **Day & Date:** Thursday & 19/2/2026
2. **No. of Participants/Team/Groups :** 35
3. **Name of faculty Coordinators:** Prof.S.V.Kulkarni (Instru Department)
4. **Name of faculty Committee members:** Ms.Dhanashri R.Patil (Assistant Professor) AIDS Department
5. **Name of Judges and designation:** Dr. P. D. Bormane (Assistant Professor) AIDS Department
6. **Name of Student Coordinators:** 1. Sanskruti Yewale
2. Aayush Gajbhiye
7. **Brief description of event:** The Online Poster Presentation Event was organized to provide participants with a platform to present their innovative ideas, research findings, and creative solutions through digital posters. The event aimed to encourage academic learning, knowledge sharing, and effective communication skills among students.

The competition was conducted in an online mode, allowing participants to join virtually from different locations. Each participant presented their poster using an online meeting platform, explaining the concept, objectives, methodology, and outcomes of their work within the allotted time. Judges evaluated the presentations based on creativity, clarity of content, presentation skills, relevance of the topic, and overall impact.

The event promoted collaborative learning and provided an opportunity for students to enhance their research presentation abilities while adapting to digital presentation formats. The session concluded with feedback from judges and the announcement of winners, making the event both educational and engaging.

The winners of the competition are as follows:

RANK	Name of Participant	College
1	Pallavi Nandlal Jagtap	AISSMS IOIT,PUNE
2	Jayesh Pankaj Nemade	AISSMS IOIT,PUNE

7. Ideathon

1. **Day & Date:** 19-2-2026
2. **No. of Participants/Team/Groups :** 25
3. **Name of faculty Coordinators:** Mrs. S. S. Landge
4. **Name of faculty Committee members:**
5. **Name of Judges and designation:**
6. **Name of Student Coordinators:** Narayani Kulkarni and Darshana Shinde
7. **Brief description of event:**

Our college organized an online Ideathon on 19th February to promote creativity, innovation, and problem-solving skills among students. The event offered a virtual platform for participants to share their innovative ideas and solutions to real-world challenges. Students actively took part and presented their ideas to the judges online. The Ideathon helped students improve their critical thinking, teamwork, and presentation skills. Overall, it was a successful and inspiring event that motivated students to innovate.

The winners of the competition are as follows:
