DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

Newsletter, Semester - I & II , Academic Year 2025-26

VISION

To be amongst the top 5% of Artificial Intelligence & Data Science programs for catering to the changing needs of the industry and society..

MISSION

1. To impart AI&DS skills emphasizing interdisciplinary design, development and analysis.
 2. To foster employability, entrepreneurial and research opportunities in providing intelligent solutions for the needs of industry and society.
 3. To promote career development with ethical responsibility.
- 

Program Education Objectives (PEOs).

PEO1: Graduates will be able to analyze, formulate and function efficiently in a multi-disciplinary context to address industrial problems.

PEO2: Graduates will be able to work collaboratively with professionalism and ethical responsibilities to provide innovative solutions to society.

PEO3: Graduates will be able to adapt to new technologies.

Program Specific Objectives (PSOs).

PSO1 Problem Solving and Programming Skills: Graduates will be able to apply programming skill to identify, modify and test algorithms that apply intelligence to make realistic decisions in problem solving.

PSO2 Professional Skills: Graduates will be able to collect, analyze, interpret and visualize data to solve problems in agriculture, automation, finance and medical domains.

FACULTY EDITORIAL

With great pleasure, we present to you the latest edition of our esteemed Newsletter, Volume 2. This newsletter serves as a platform to highlight the remarkable accomplishments and accolades of the AI&DS department. We are thrilled to share the numerous notable achievements recorded in this semester, which are a testament to the exceptional guidance provided by Principal Dr. P.B. Mane, H.O.D. Dr. R.A.Jamdar, and the dedicated staff members who work tirelessly as a cohesive team.

We extend our heartfelt gratitude to the student editorial team for their unwavering dedication and enthusiasm in bringing this issue to fruition. Their commitment to excellence and passion for showcasing the department's merits have been truly inspiring.

This edition of the newsletter not only celebrates the accomplishments of our department but also serves as a testament to the collective efforts of the students, faculty, and staff. It is through their hard work, determination, and unwavering spirit that we continue to achieve new heights.

As we embark on this exciting journey of sharing the department's success stories, we invite you to delve into the pages of this newsletter, where you will find inspiring stories, groundbreaking research, and noteworthy achievements.

STUDENT EDITORIAL

We would like to extend our deepest appreciation to the esteemed Principal, Dr. P.B. Mane, and the Head of the Department, Dr. S. V. Limkar, for their extraordinary dedication in encouraging and applauding every activity of the students. Their unwavering support has been instrumental in shaping our educational journey.

Furthermore, we would like to express our sincere thanks to the members of the faculty editorial team for their invaluable assistance in bringing this newsletter to fruition. Their expertise and guidance have played a pivotal role in ensuring its success.

A special mention goes to all the committee heads who have contributed to this newsletter. We recognize the significant amount of time and effort they have invested in providing us with the necessary information. It is their willingness to share knowledge, address concerns, and offer unique insights that has made this newsletter possible.

Together, the support and collaboration of these individuals have resulted in a newsletter that reflects the spirit of our institution and showcases the achievements of our students. We are immensely grateful for their contributions and look forward to their continued guidance and support in future endeavors.
